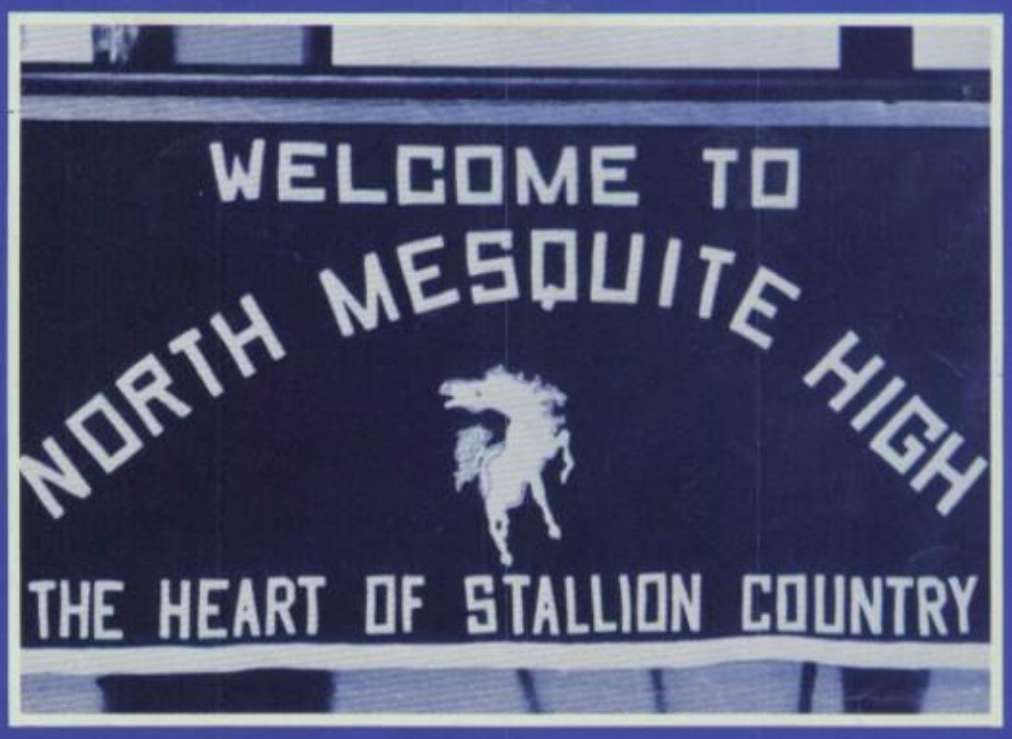
Perspective — Looking Back;

Seeing the Best

The theme of perspective idealizes 1975 because this year at North Mesquite was one of self-searching, self-fulfillment, and individual success. These experiences gave maturity and perspective to every student.

FAVORITES

Each year special students are chosen or elected to receive titles of respected honor. These people show a great deal of interest in their activities, school, friends, and behavior. Because of their compatibility and friendliness, their fellow classmates, in return, reward them for these outstanding traits.



WELCOME TO
NORTH MESQUITE HIGH
THE HEART OF STALLION COUNTRY

Mr. and Miss N.M. Elected

Sherri

Honored as Miss N.M.H.S. for the 1974-75 school year was senior, Sherri Sharp. Her winning smile, bubbly personality, and remarkable achievement in dancing helped her to be a two year member of the Pacesetter Drill Team. Sherri was a two-year Blue Brigade member and a Board Member for the card section her Sophomore year. Leading the students into having more school spirit by being a Junior Varsity Cheerleader was another of her high school accomplishments.

Buster

Varsity football player, Buster Cotton was chosen as Mr. N.M.H.S. by the entire student body. Very active in choir, he was a member of the A cappella Choir and was honored by the opportunity to try out for the All Region Choir. Buster was elected President of F.H.A. and was a member of the Fellowship of Christian Athletes.

Pam

Recognition was not a new experience for Pam Burkhalter, the All-School Favorite. She was a Varsity Cheerleader, known by all the sports crowds for outstanding tumbling stunts. She was extremely involved in Girl's Track, and went to State Finals in the 440 yard run and the long jump.

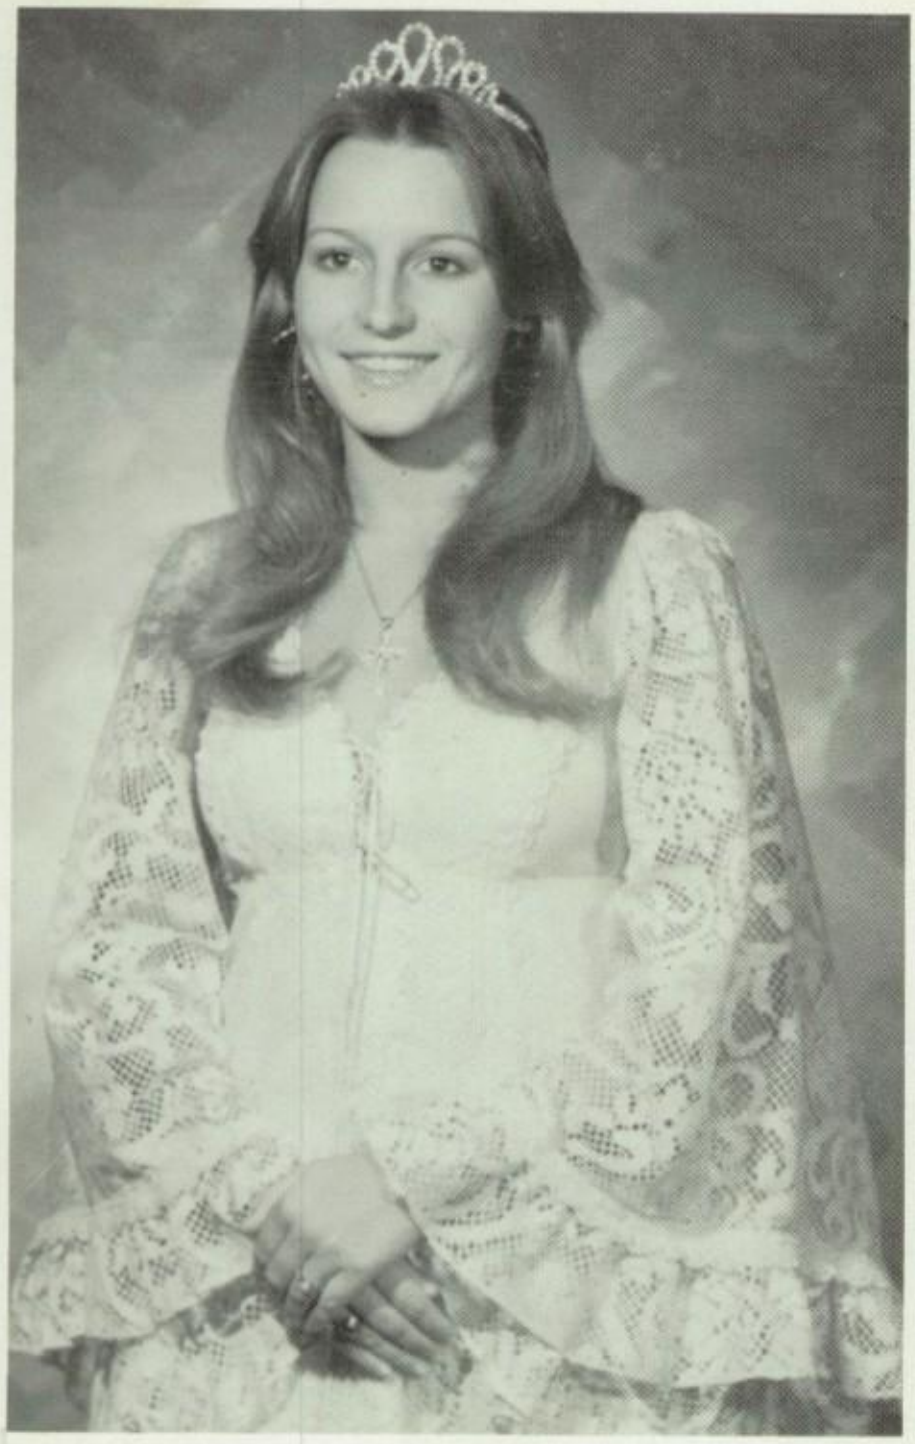
Even though Pam has brought many honors to the school, she remains friendly, sincere and enthusiastic. She excels in her school work and clearly earned this honor.

Phil

Persistence on the athletic field describes this year's All-School Favorite, Phil Westbrook. A Varsity football player for two years, he served as captain his senior year. His prowess as defensive linebacker earned him all district honors for both years.

Aside from school athletics, Phil enjoys hunting and fishing. He has always been known for his good sense of humor and his ability to enjoy himself at all times.

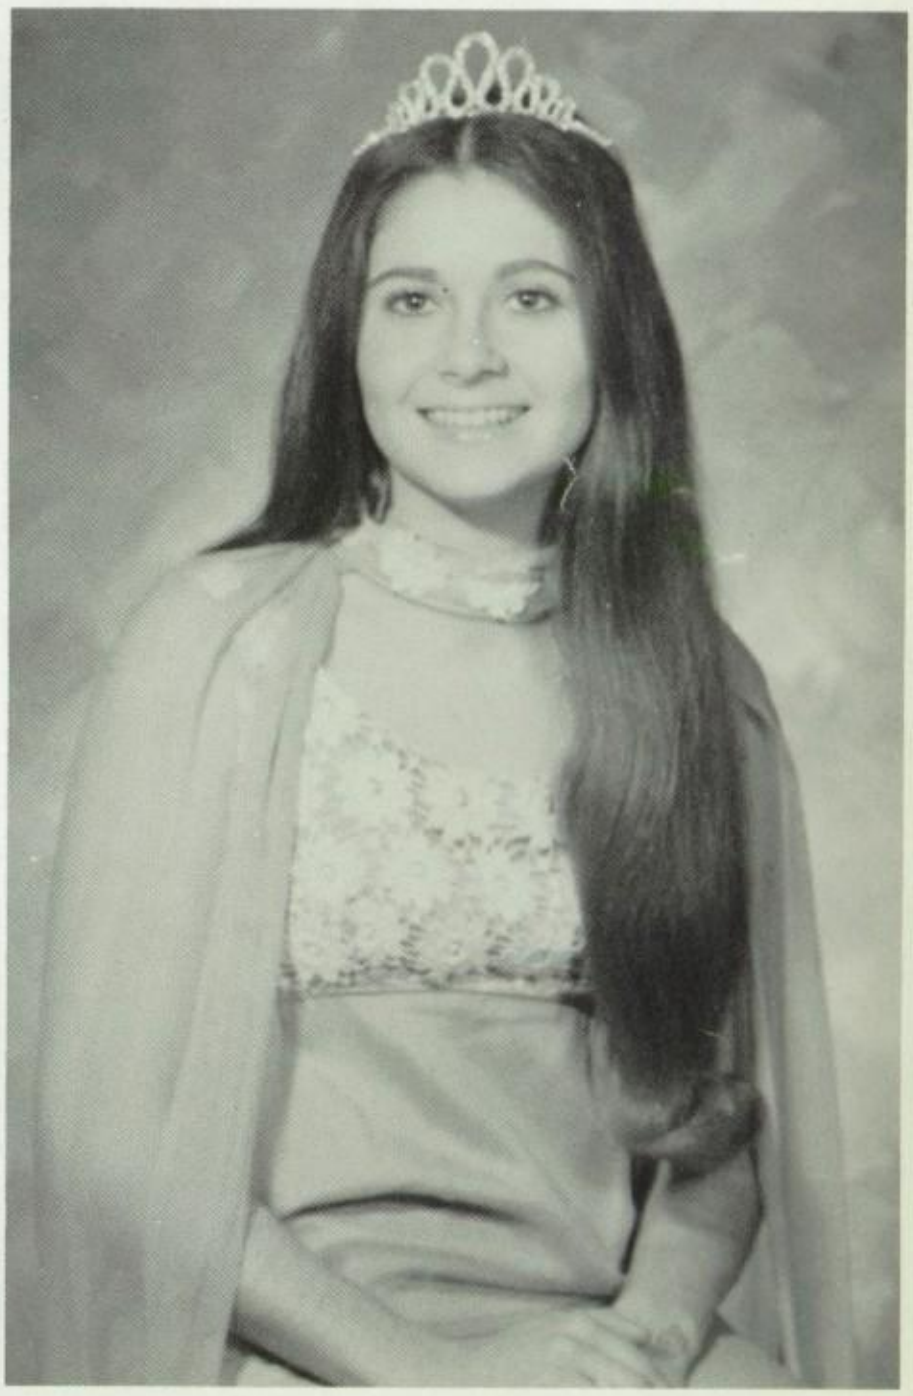
All-School Favorites Named



Pam

All-around busy, funny, friendly, attractive, and enthusiastic was senior Pam Potter. Chosen by the entire student body to be the fourth **Homecoming Queen** for North Mesquite, Pam displayed her interests in the success of this school by being a very active girl. She was a two-year member of the Student Council, Blue Brigade, and Girl's Fellowship of Christian Athletes. She represented N.M.H.S. as a cheerleader for four years.

Pam received many honors while attending high school including being elected All School Favorite two years in a row and being Freshman Favorite in 1971. Her leadership among others helped her to be elected a class officer for three years also.



Mary

Head varsity cheerleader, Mary Powell, was chosen by the 74-75 Stallions to be their **Football Sweetheart.** Mary's interest in sports played an important part of her participation in many school activities as a three-year cheerleader.

High achievement in her academic studies secured her a place in the National Honor Society for two years. Her junior year she presided as treasurer and as a senior she was vice-president. She appeared regularly on the North Mesquite Honor Roll.

Mary's out-going personality carried her to be a member of the Future Teachers of America, President and Treasurer of the Girl's Fellowship of Christian Athletes, and a two-year member of the FHA club. She was also known for her active interest in karate, this activity earned her several awards.

Five Queens Honored

Anna

Talented does not adequately describe Anna Janecka, **Stallion Battalion Sweetheart** for 1974-75. Drama was a main interest. Anna held many parts in "productions" as an active member of the Thespian and Drama Clubs.

Singing was a favorite pastime which helped Anna become a part of the A cappella Choir. A past member of the Blue Brigade and B-Drill, she was also in the N.M. National Honor Society.

Kelly

Music dominated the life of Kelly Hatfield, the **Band Sweetheart.** She was in the Varsity and Stage Bands. Her ability took her to state solo contest. Her other major interest was choir and she participated in A cappella Choir with success.

Kelly maintained good grades also and her sweet manner earned respect from everyone.

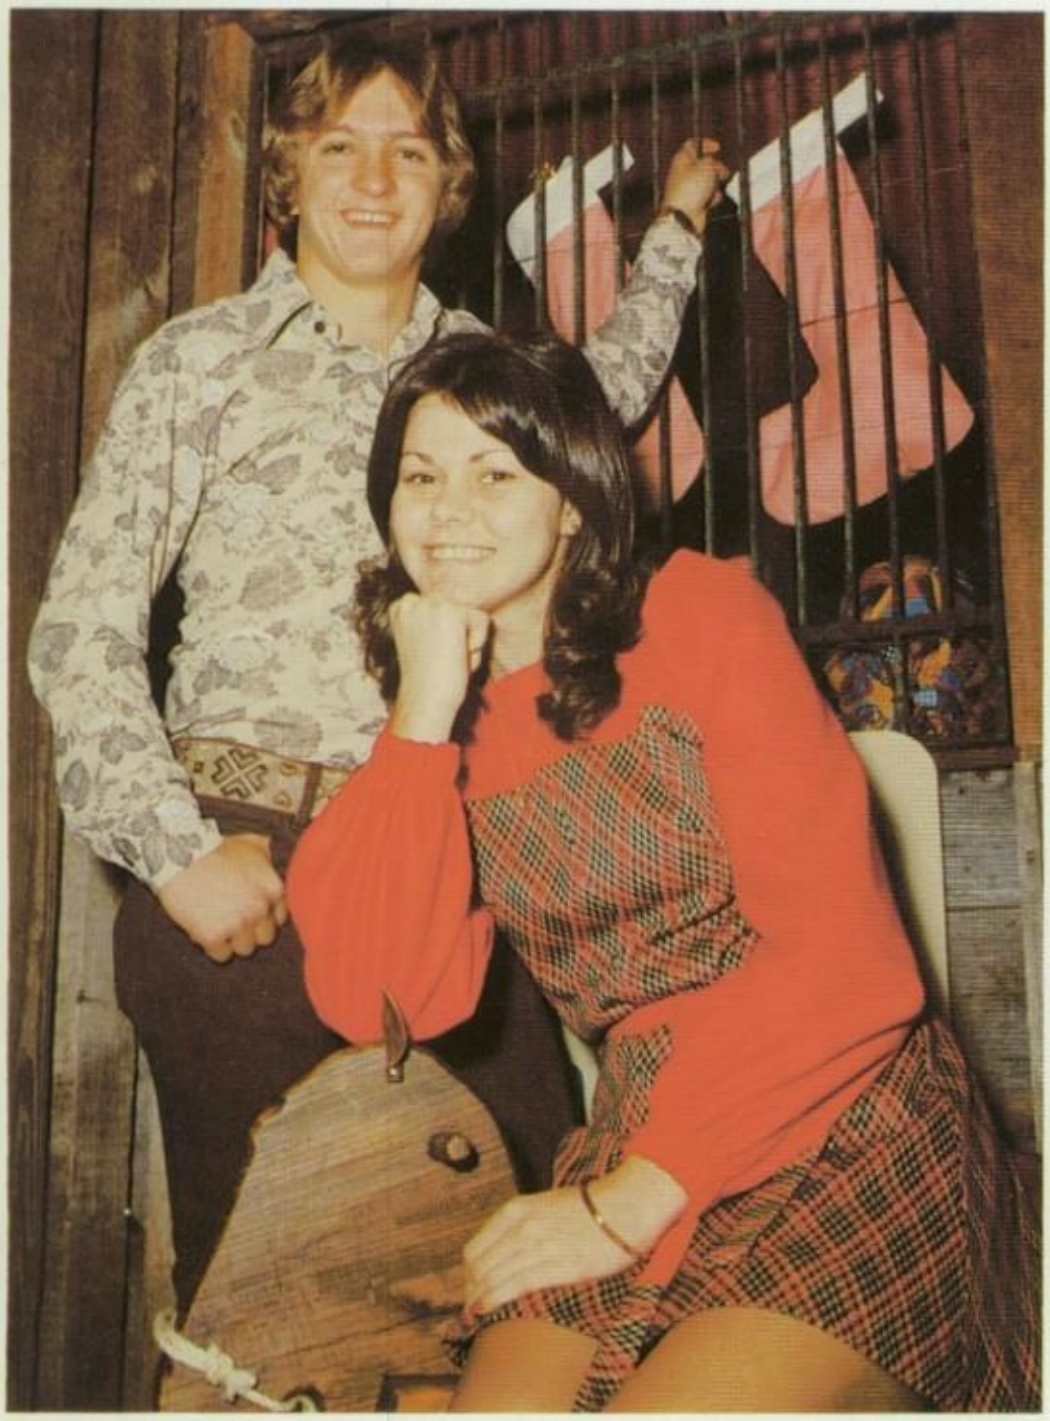
Pam

Junior Pam Baxter was chosen **Basketball Sweetheart** by this year's outstanding basketball team. Her interest in the team and her enthusiasm as a Varsity Cheerleader made her a natural choice.

Pam was active in the Girl's F.C.A. and enjoyed dancing in her after school hours. Her bright smile always brought happiness to others.

Classes Honor

Seniors



Janice

Senior Favorite Janice Izzarelli was undoubtedly recognized for her friendliness. Her interest in everyone of all grades was contagious.

She was an active member of the FCA and a lieutenant in the Pacesetters. Somehow she found time to work as an officer in the Future Homemakers of America and to be involved with her church's work.

Mike

Anyone knowing Senior Favorite Mike Gideon remembers most his enthusiasm for football. Mike's interest in sports influenced all his activities. He was a member of the Fellowship of Christian Athletes and spent much of his free time hunting, fishing or water skiing.

Mike's cooperative nature and sincere manner made him well-liked by faculty and students both.

Sophomores

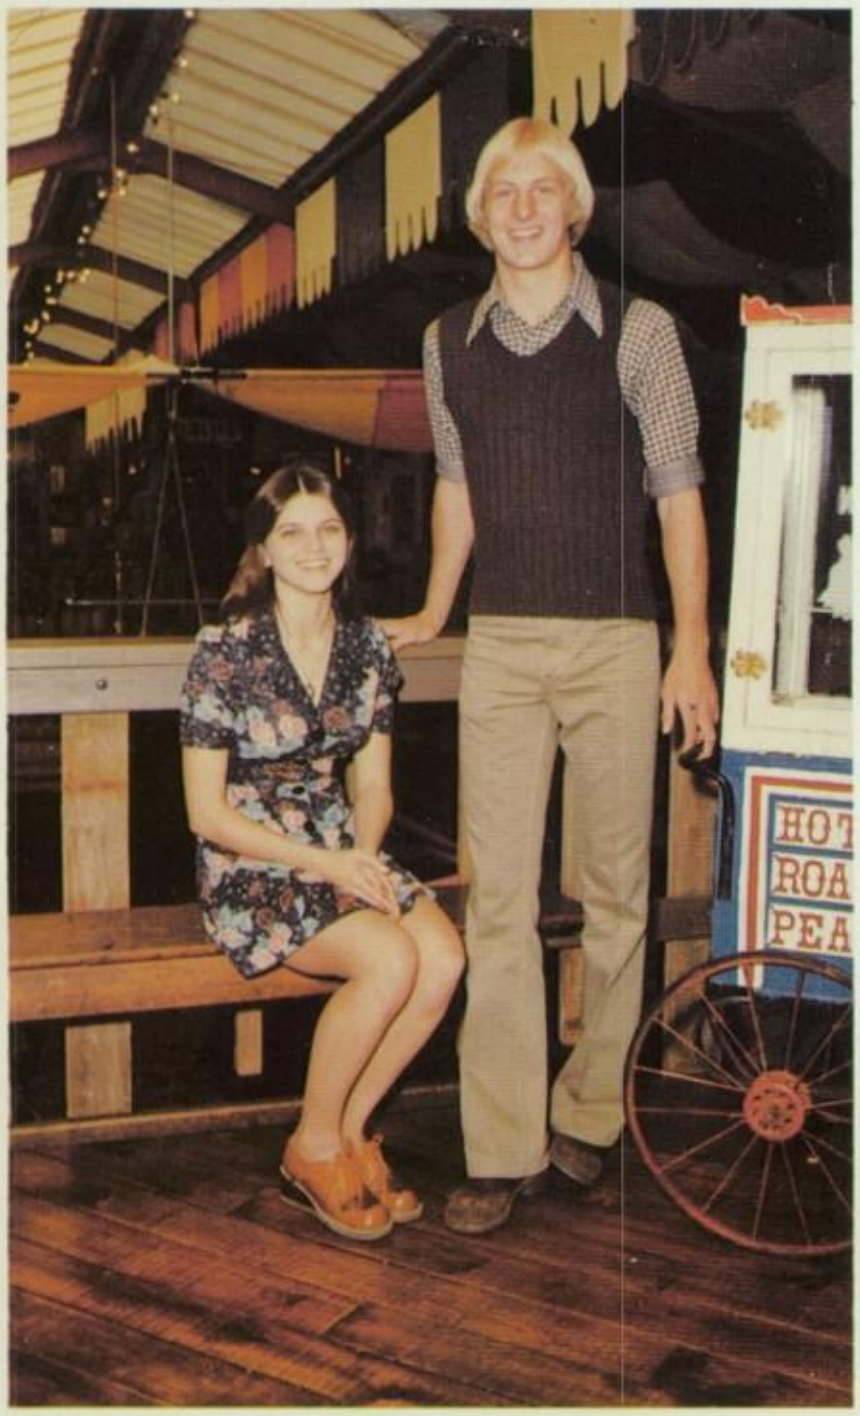
Mary

A lover of big dogs, Mary Garner, sophomore favorite, was really shocked when she was elected. She was absent on the day that the announcement of the favorites was made, and someone called at her home to tell her she had been elected. Mary was President of the Freshman class, member of the F.C.A., and a cheerleader.

Tony

Sophomore Tony Hollifield was chosen by his class as favorite in 1975. His enthusiasm for school activities was the main reason for his success. He played football and basketball and was a member of the Fellowship of Christian Athletes. He likes to spend his time with his friends from school fishing or enjoying pro sports.

Favored Students



Juniors

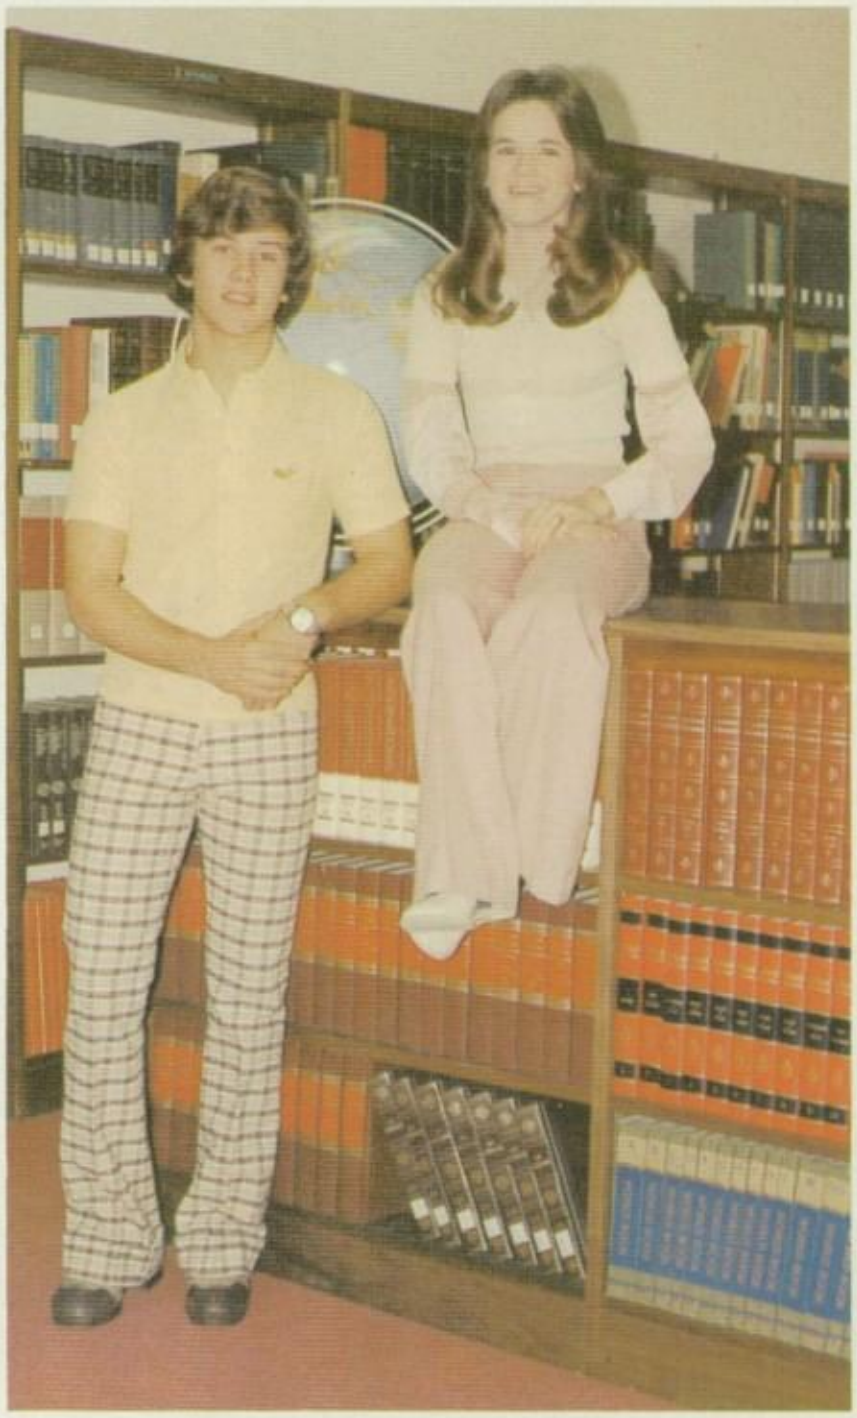
Jan

Zany Jan Duffer was chosen by her classmates to be one of the 1975 Junior Favorites. She was known for her outgoing personality and bright smile. A member of the French Club and Pacesetter Drill Team, she also enjoyed swimming, and dancing and especially meeting people.

Jan plans to go to Junior College in California when she graduates and would like to be an interior decorator.

Terry

Terry Davis, a very busy young man, was chosen as Jan's counterpart. A member of the Student Council, Fellowship of Christian Athletes, Young Life and F.H.A., he also actively participates in functions at his church. He played football this year and would like to be a coach someday. When asked his reaction to being elected, he said he was shocked and added that he liked school and thought this year was the best.



Freshmen

Terri

The Freshman cheerleaders in 1975 will never be forgotten because they were all tiny, but incredibly enthusiastic girls. Freshman Favorite Terri Malone exemplifies this cheerleader group. Her unbounded energy amazed everyone who knew her. She was a member of F.C.A. and enjoyed horseback riding. Terri liked her first year at N.M. best because she met so many new friends.

Fernando

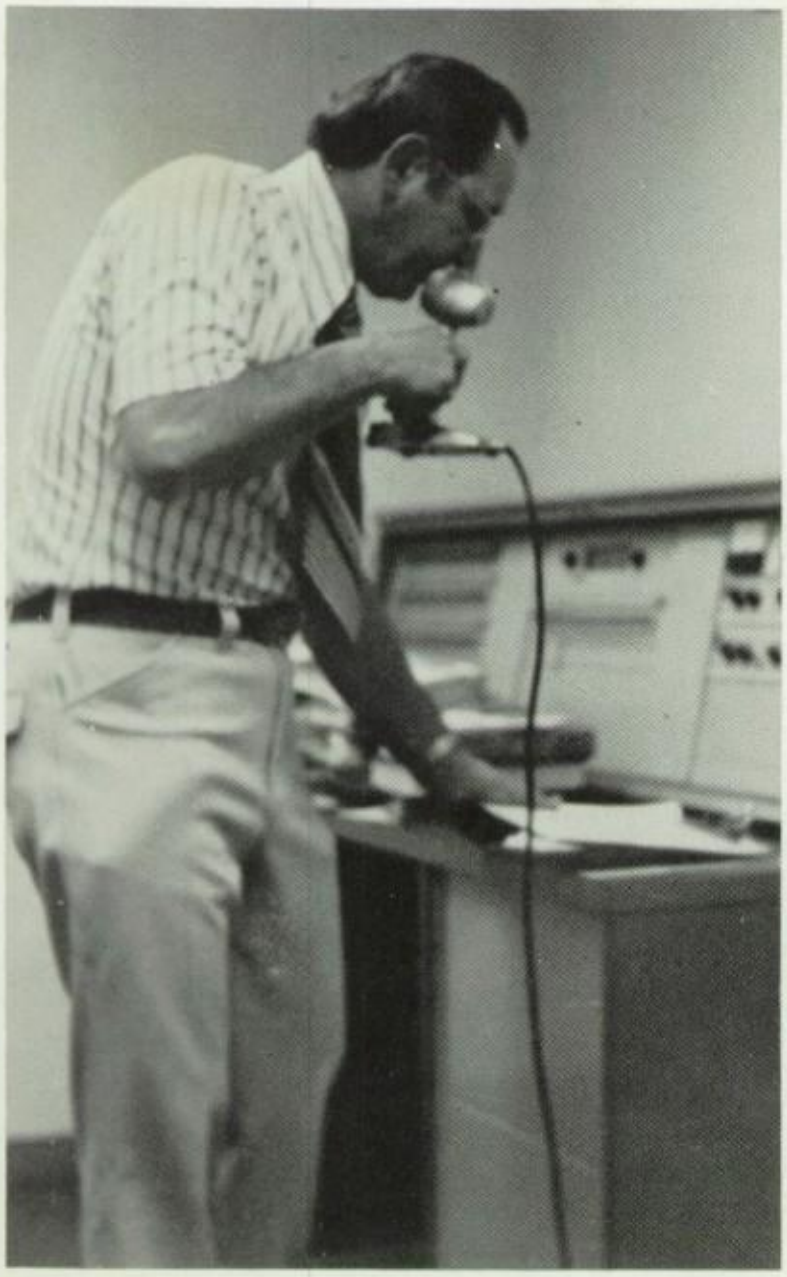
Freshman Favorite, Fernando Villafana, was another of the athletes honored at North Mesquite this year. A football player, he was known for his variety of interests. Fernando plans to continue in F.C.A., hopes to improve his grades, and wants football to stay a part of his life. He is interested in law as a career.

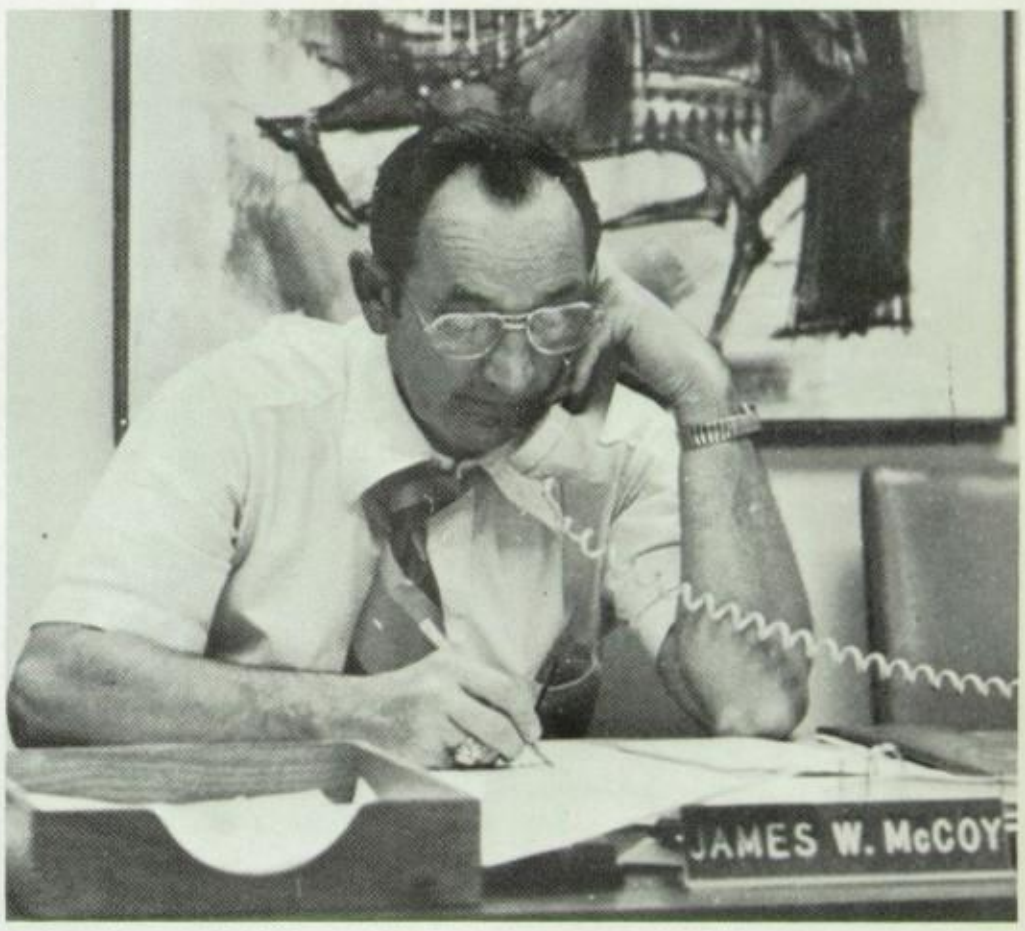
McCoy Receives Dedication

Dedication: The act of Mr. James McCoy giving his time, loyalty, advice, and strength to every person who had anything to do with the great success and spirit of North Mesquite High School. The vivacious assistant principal was interested in the well-being and prosperity of every student, faculty member or administrator.

Just a few of this busy man's duties at North Mesquite were calling substitute teachers, making those unforgettable 8:25 a.m. announcements, handling textbook business, and being an all-around helpful guy. Many seniors showed thanks to Mr. McCoy for helping them get early dismissals and taking care of absences.

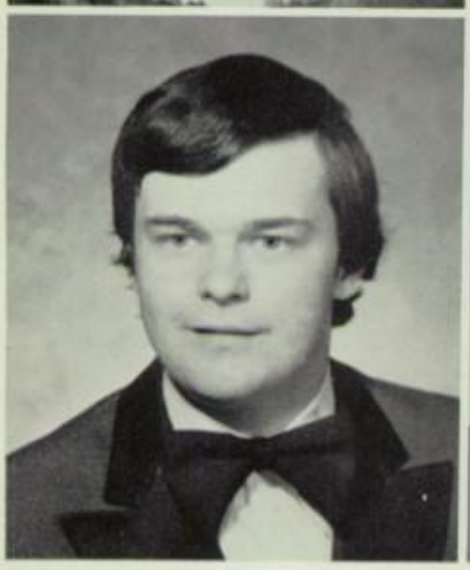
Therefore, in all sincerity, the Trailblazer staff proudly dedicates this book to Mr. James McCoy.

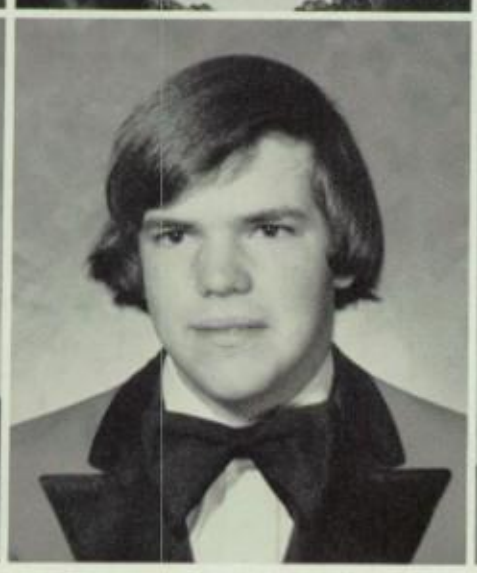


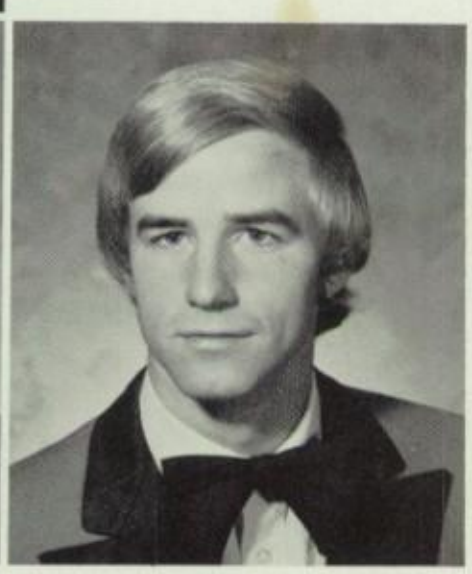


Left: Every morning Mr. McCoy makes his melodious announcements. If one's name is called, one better find his way to the office right quick. **Above:** One of the assistant principal's jobs is to call on senior students if they are absent.

Five Seniors Honored by New Award







Kathy Calhoun
Bob Haddox

Lynne Campbell
Howard McNeil

Van Ogden

Beginning this year, the yearbook staff decided to give an award to seniors who played important parts in bringing recognition to themselves and their school. We felt that these students should be rewarded for their high achievements in clubs, sports, or academics. It is our privilege then to present these five seniors with the 1974-1975 Trailblazer Award.

Kathy

President of the Thespian Troupe and three-year member of the Drama Club, Kathy Calhoun definitely found herself interested in theatre. She was in the Girl's and A cappella Choir, on the Honor Roll, in the French Club, and a Pacesetter for two years.

Lynne

Cheerleading played an important part of Lynne Campbell's four high school years. She received awards in local and district meets for the Number Sense Team. Lynne joined the French Club, FCA, and was Treasurer of the National Honor Society.

Bob

The medical world found itself ready for Bob Haddox. He was employed by Baylor Hospital in Dallas to further his knowledge of the subject. Bob was Vice-President of the Latin Club and received several awards for competition in the Science Club.

Howard

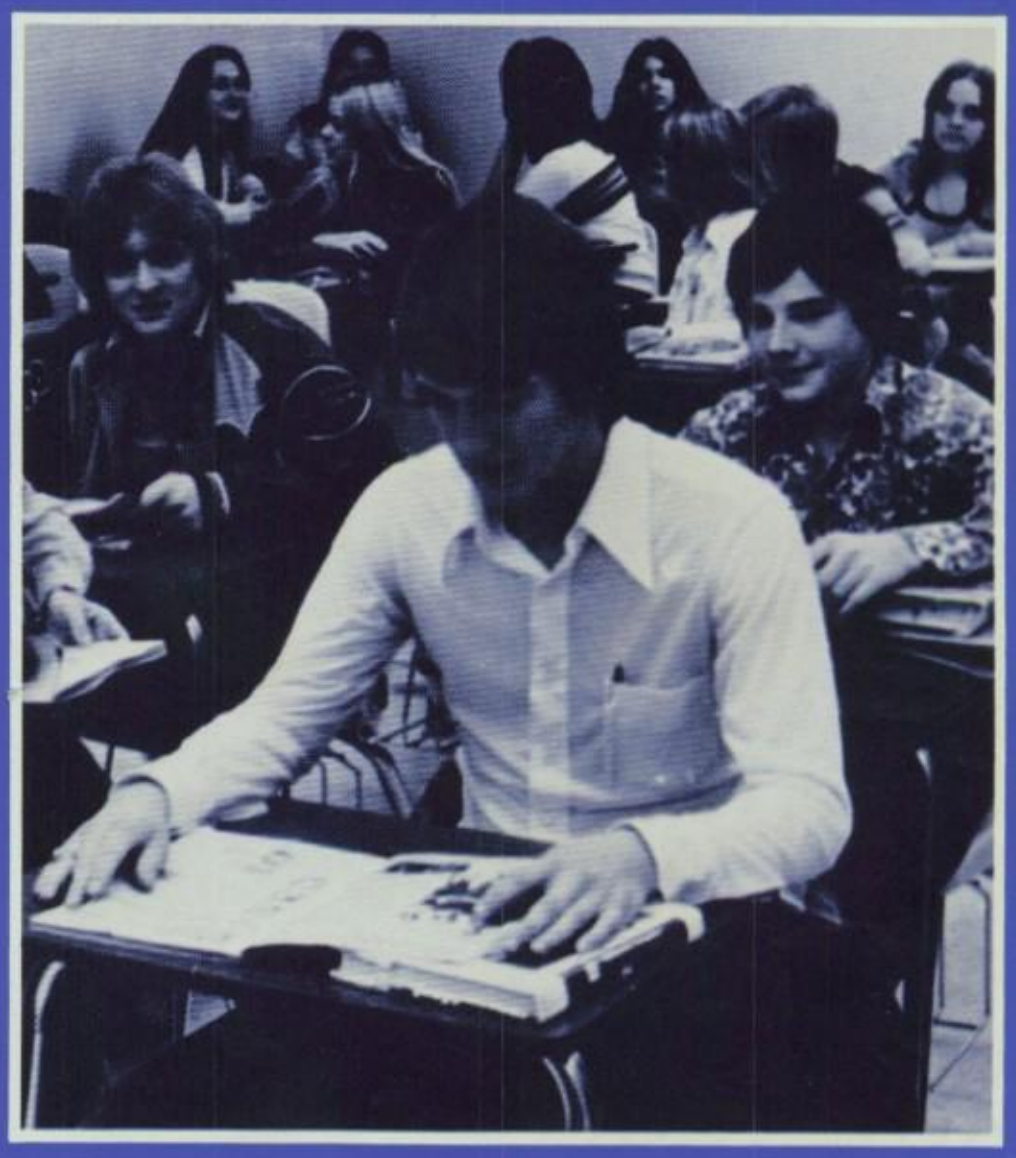
Honor student, Howard McNeil, has received awards in local, district, regional, and state meets for the Number Sense and Slide Rule Team. He was in the NHS and Spanish Club. Howard was featured in Who's Who and was a National Merit Semi-Finalist.

Van

Basketball was one of Van Ogden's favorite sports. He showed this by lettering on the Varsity team his junior and senior years. Van appeared on the North Mesquite Honor Roll, and was an active member of the Fellowship of Christian Athletes.

CLASSES

Faces, faces, and more faces. Like a collage of faces, so are the ideas and personalities of the students at North Mesquite. All these people may have acted as individuals in their own world, but nothing could ever upset the sense of unity that will always prevail over the entire student body.



Freshmen Begin New Life

Left: Freshman Class Officers are: Vice-President, Diane Truesdale; President, Byron McCoy; and Secretary, Ruth Hernandez. **Below left:** Senior, Mike Nelson, dispenses free advice on doing well at North Mesquite to beginner Pam Jenkins. **Below right:** Freshman frustration during the first week of school ran high; as exemplified by Jerry Bannister, who is struggling with his locker.

Memories make a life.
A life is like a photograph
Remote, but real
Distant, but as close as
tomorrow.

shows the joys, fears, tears

And accomplishments of
yesterday.

As fading sunlight filters through the room
and lands on some photographs and papers yellowed
with age, memories seem to come to life.
And I smile to myself and laugh at the
picture of that young silly looking person that
bears my name underneath it.

Could that really be me?

Wow! The fun we used to have —
it seems so long ago.
But back then, it seemed eternity.
Oh the fond and sometimes not so fond
remembrance of past school days.

My High School Years

My Freshman year was filled with fun,
But now my Freshman year is done.
I won't be able to go back to something in the past,
I just hope the memory will last.
My Sophomore year was next in line,
I probably won't have many of that kind.
It was the middle of my high school days,
I hope there are many more covered in a wonderful haze
My Junior year was there allright,
But I can't seem to bring it into sight.
I'm sure it happened and was dear,
But I was looking forward to my Senior year.
But now my Senior year is here,
And almost through the year.
I wonder how it passed so fast,
And why it couldn't last?
12 long years are behind me now,
And I stop and wonder just why and how.
I wonder what the future holds?
I'm not afraid or uncertain; I will be BOLD.

As we reach out for our last handful of
high school,
Spring catches up with summer
Turning yesterdays graduates
into todays old-timers.

Looking back becomes a past-time.
Engaging in memories serves as entertainment,
and perhaps as a shield.
Against the apprehensions the future dangles
before us.

Time, stop!
Let us remain "glorious seniors"
for just a moment longer.
The world awaits us eagerly,
ready to throw us into the trampling crowds
of the unknowns.

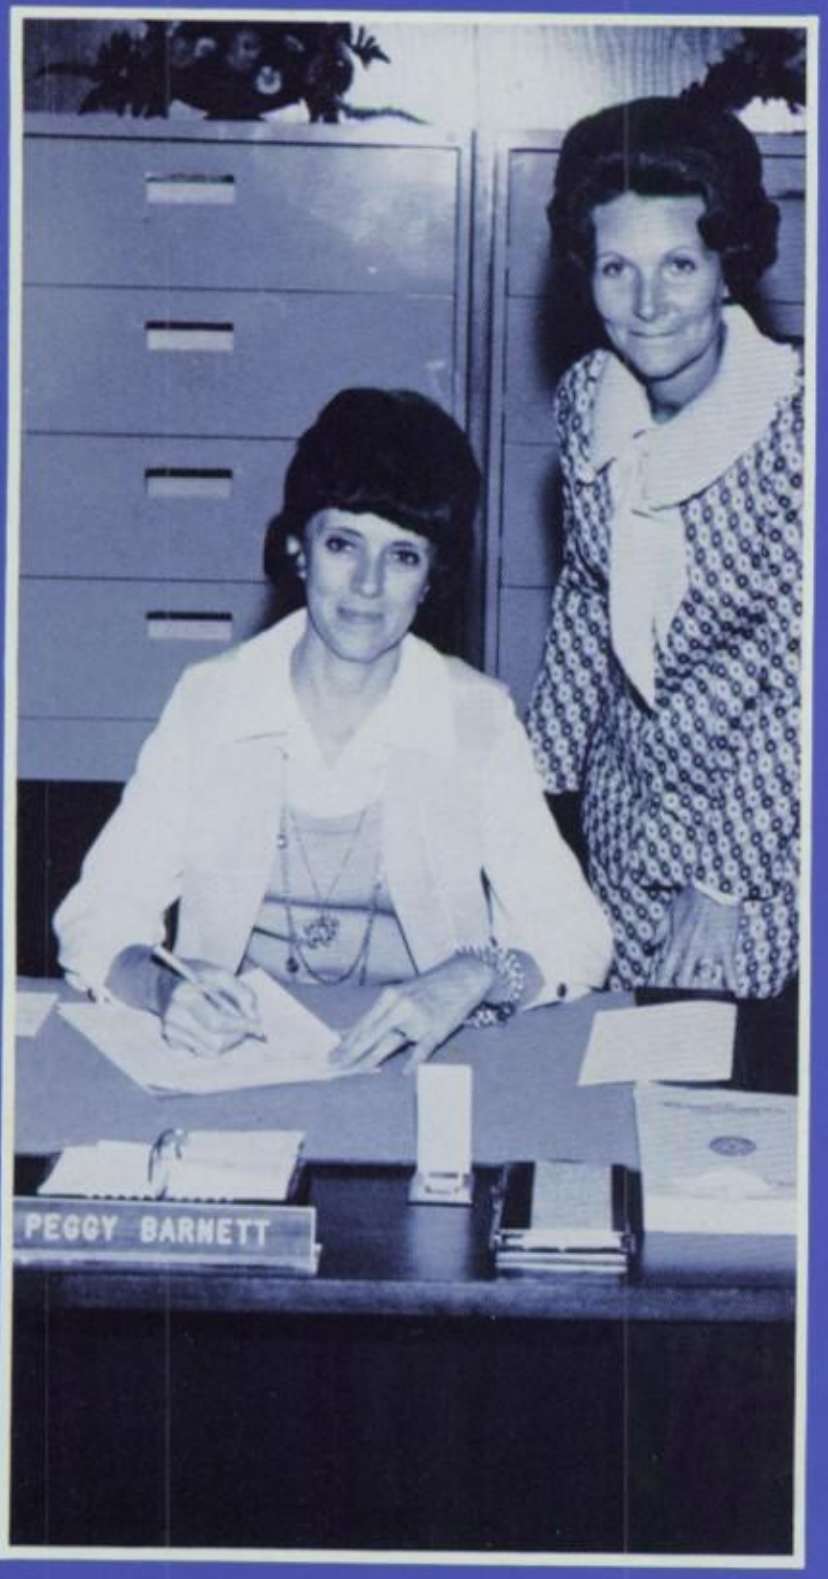
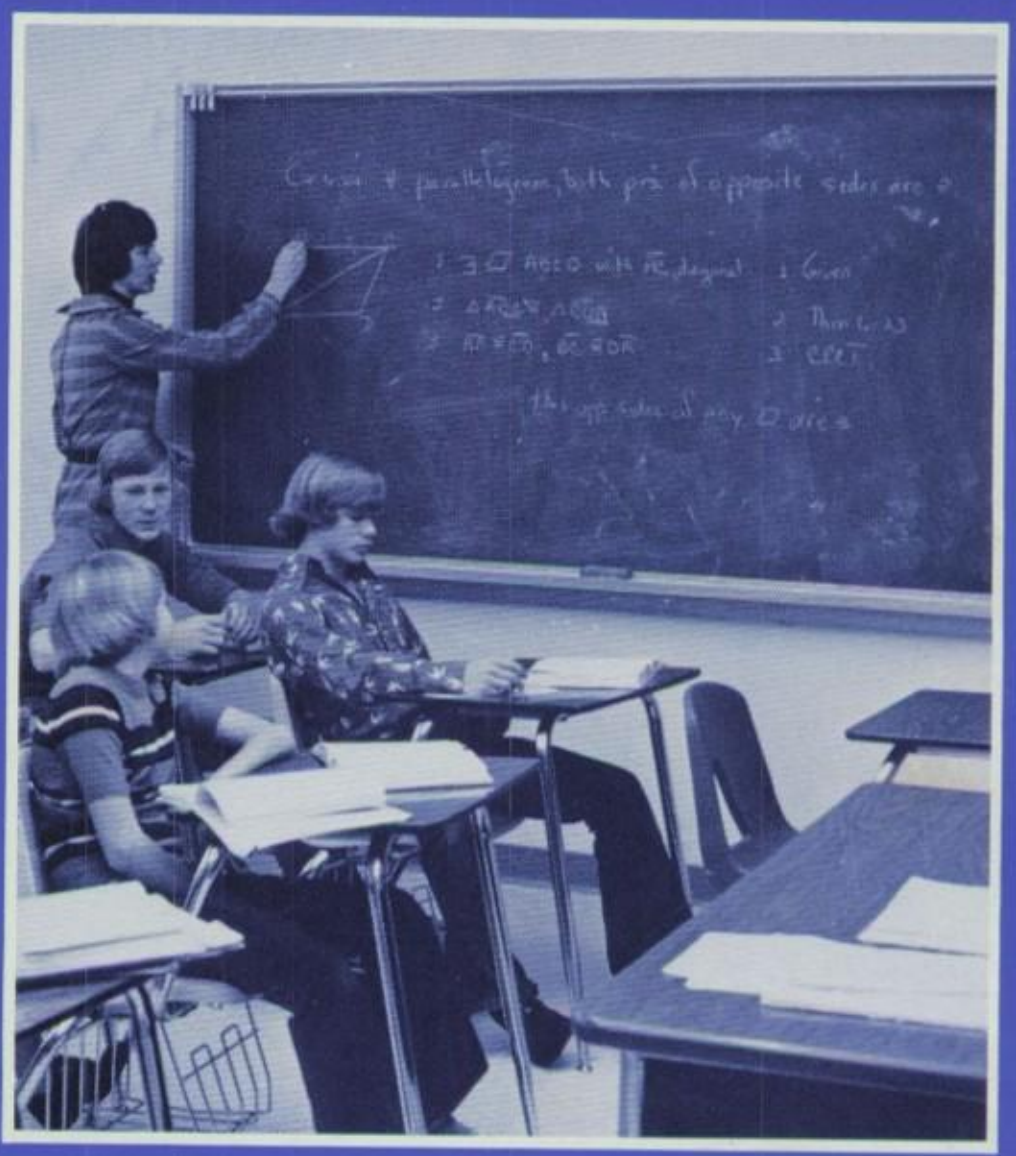
What shall we remember,
Once these days have passed,
Of our high school adventure
When we were a class?
As frosh, soph, and juniors,
We'd look forward and yearn.
To someday being seniors,
At last came our turn.
To cope with new feelings
We found solitude, yet,
The moment with friends,
We shall never forget.
We sought out the good times
By foot and by car —
Just bring us together,
And fun wasn't far.
Working and learning,
We strove to be best,
For fulfillment of self,
Is the goal of our quest.
Our pages we have written,
The seeds have been sown.
'Tis time to depart,
And be out on our own.

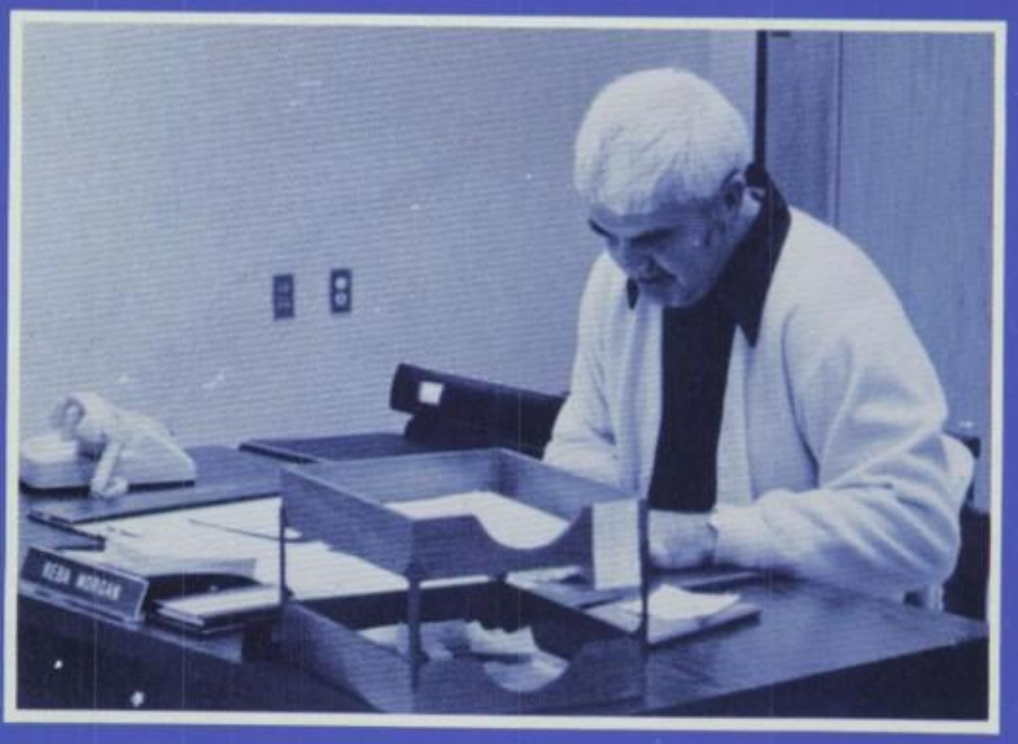
FACULTY

The learning process is long and we learn all our lives. Our success is based on knowledge not only accumulated, but also used, and shared. The faculty at North Mesquite share their own knowledge and teach us how to acquire perspective.

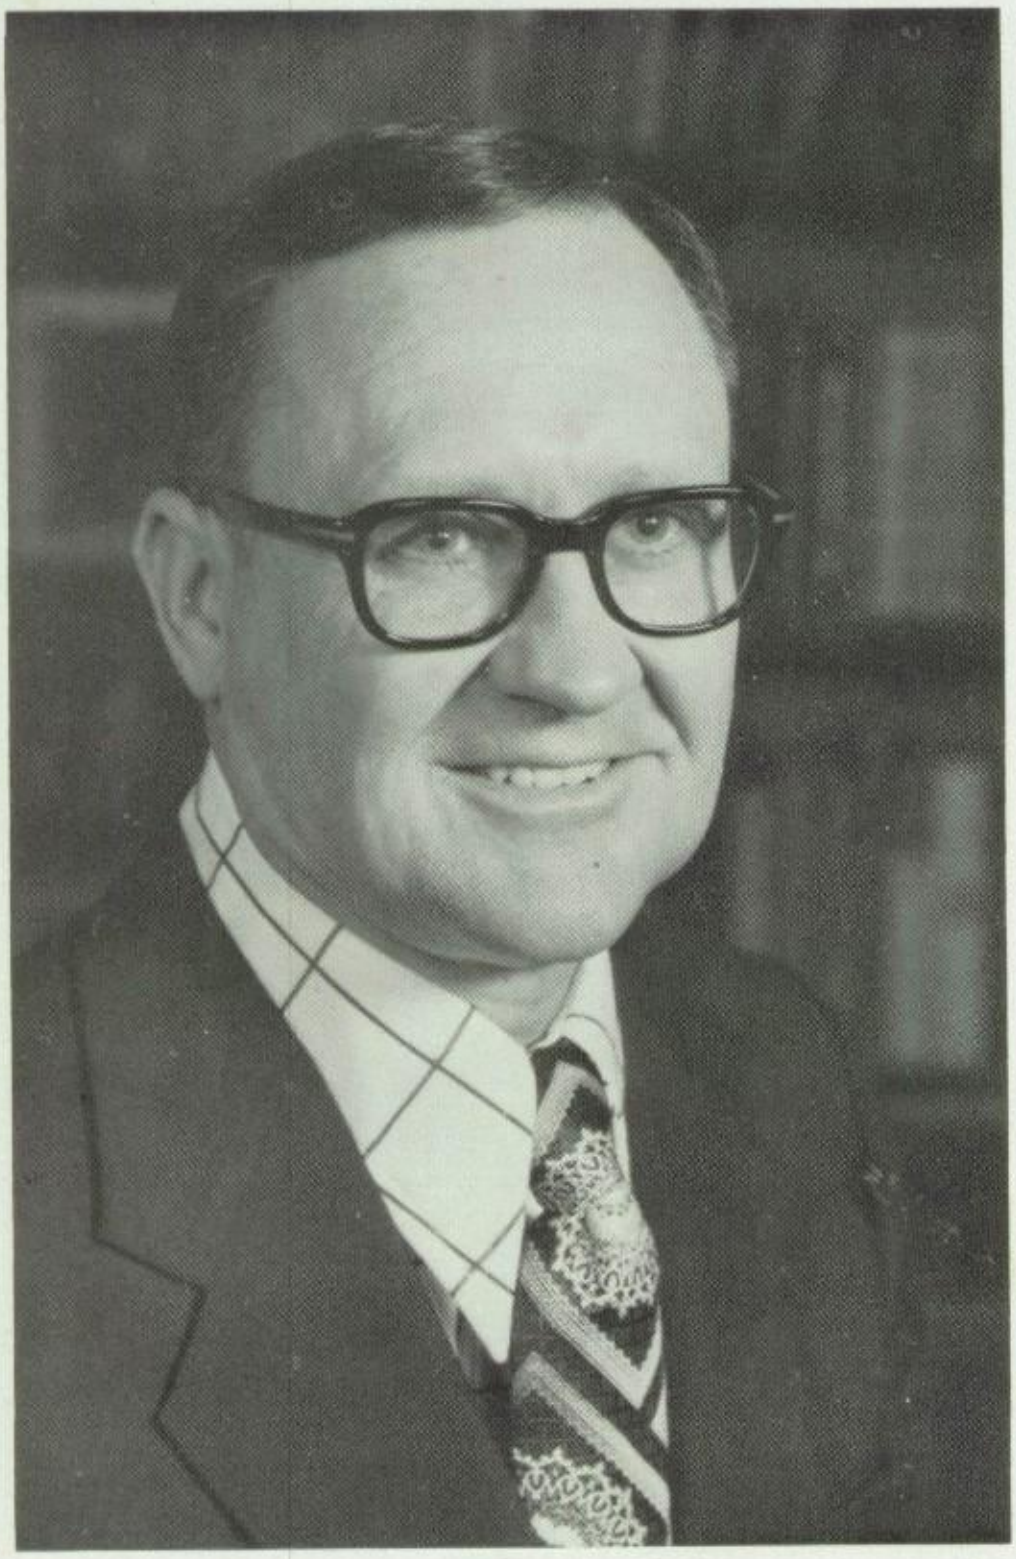


PEGGY BARNETT





Dr. Ralph Poteet Travels to Russia



For Superintendent Dr. Ralph Poteet, the year has been one of involvement, travel and change. In keeping with his traditional interest in the schools, he worked with the School Board to gain adoption of a new bond program through an election. They succeeded in getting a very positive response from this close-knit community. This fall Dr. Poteet finally realized another dream when he traveled to Russia on a highly regarded program designed especially for professional educators. With their spare time, he and his wife, Ann, worked on their new home and stayed active in church and community programs.

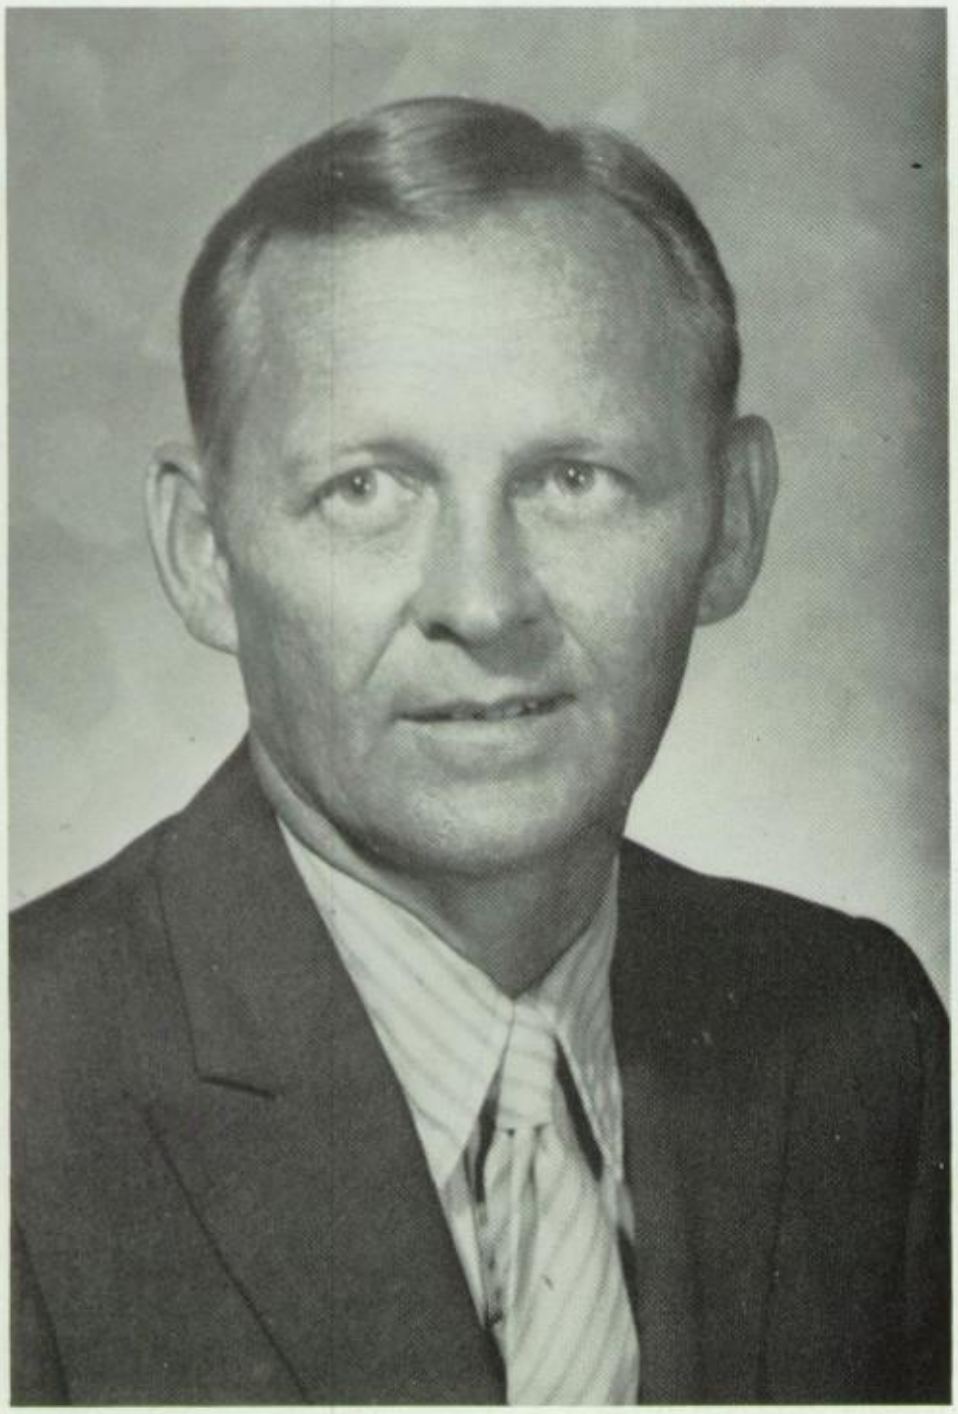
Cannaday, Assistant Superintendent of Secondary Schools; Dr. Ralph Kerr, Assistant Superintendent of Elementary Schools; Dr. John Horn, Administrative Assistant to the Superintendent; Mr. Jack Hicks, Assistant Superintendent of Business; Mr. C. These elected members of the Board of Education serve the community this year.

Mr. Campbell Gives School Philosophy



"Don't just stand there; try to look intelligent!" This is one of the down home "philosophies" that typifies Mr. Campbell's sense of humor and interest in the student body at North Mesquite.

The students will remember him as soft spoken yet authoritative — and someone who always makes you smile.

Administrators and counselors alike find the time to deal with each problem immediately even when they are already busy. This is the quality that makes them impossible to replace.

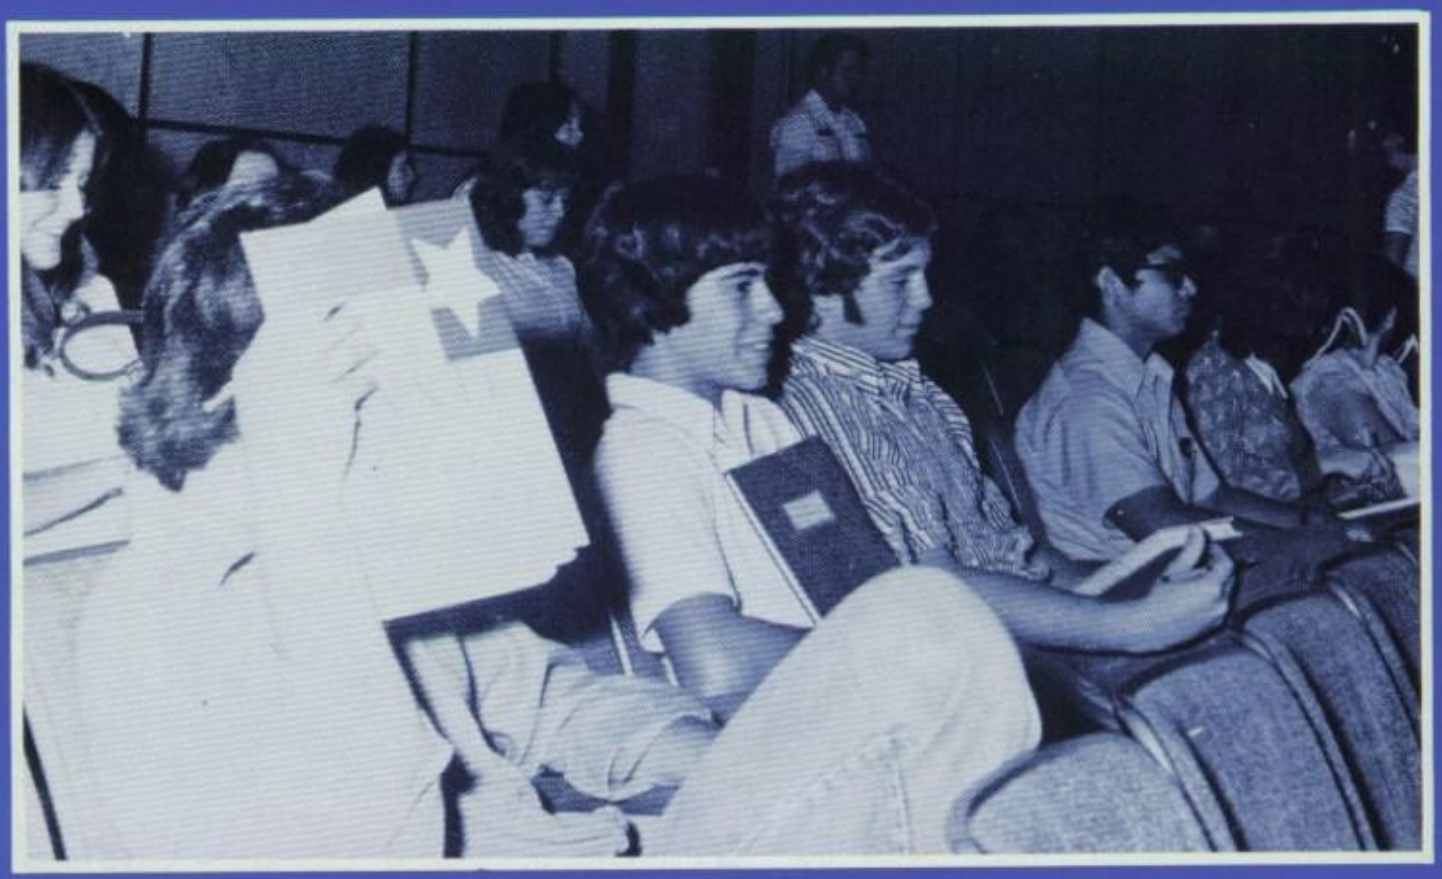
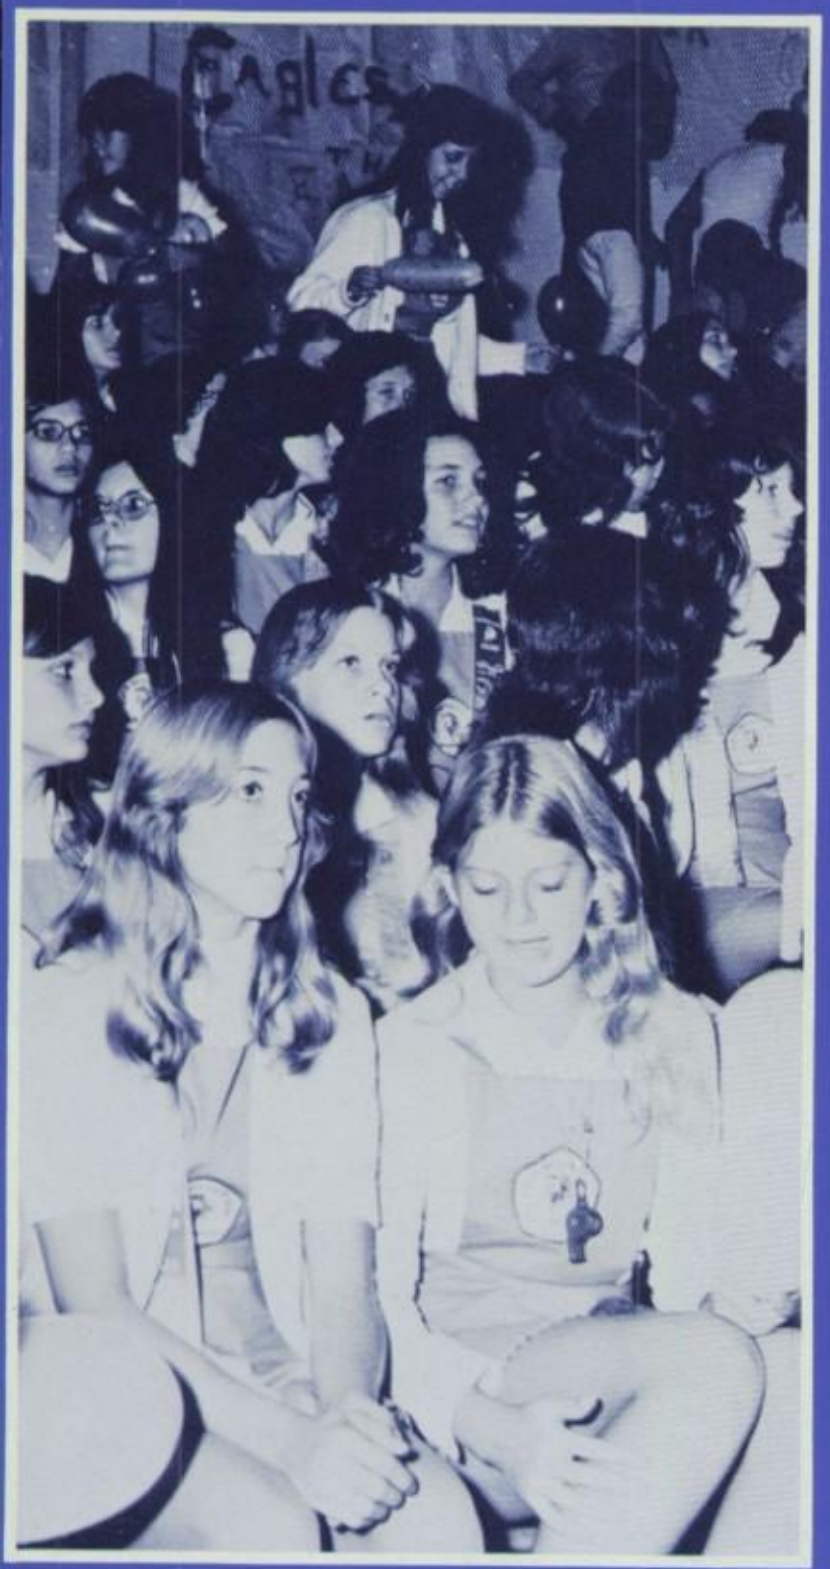
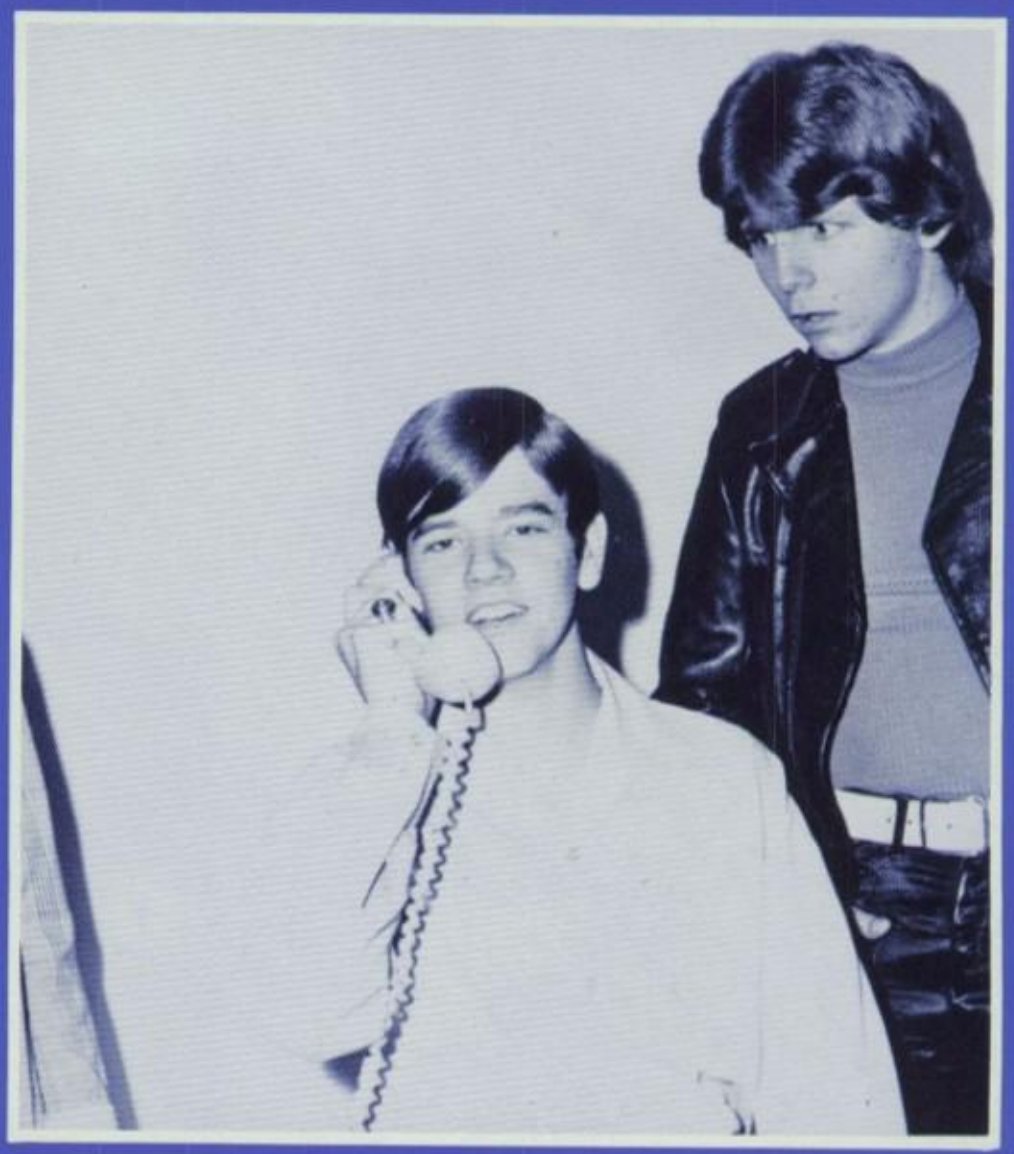
STUDENT LIFE

Every student contributed his part to the exciting student life at N.M.H.S. Youth and enthusiasm enabled each to involve himself in more activities than he ever thought possible. Occasional disappointments entangled with fantastic surprises added sparkle to the educational process.







Pep Rallies Mark Beginning of School

When summer vacation ends in August and school begins, students are in a mental fog the first few weeks. It is the first pep rally that marks the real start of school for most, because it brings the long-awaited fall sports. The excitement of being together again is emphasized in the crowded gym.

Above left: Art students work on the endless stream of spirit posters. **Above right:** The Varsity cheerleaders begin the first pep rally. Shown are the Juniors Talley, Burkhalter, Baxter, Sheffield and Sasser. **Left:** The Pacesetters anticipate the entrance of the Varsity team.

August — September

Fall is anticipation;
As the days progress,
momentum increases —
Our first football
game, the stands a
blur of excited
faces,
And that intangible
sharing at assemblies.

Assemblies Are Welcomed

Each of the girls is a senior this year and are here being honored by the audience at the J. J. Pearce — N.M.H.S. game.

October

A kaleidoscope of interest,
A rainbow of promise,
School's sounds and colors
absorb us and
We yield to the call of
October.
Then we enjoy the fall
evenings,
And the first cool morns.

School Gets Under Way

November

The less industrious
seek relief from the
busy days of school,
And all minds seek
fleeting dreams —
Yet November is a time
When one seeks to find
his own sphere;
Here in the complicated
world of
Education.

Play Gives Winter Start

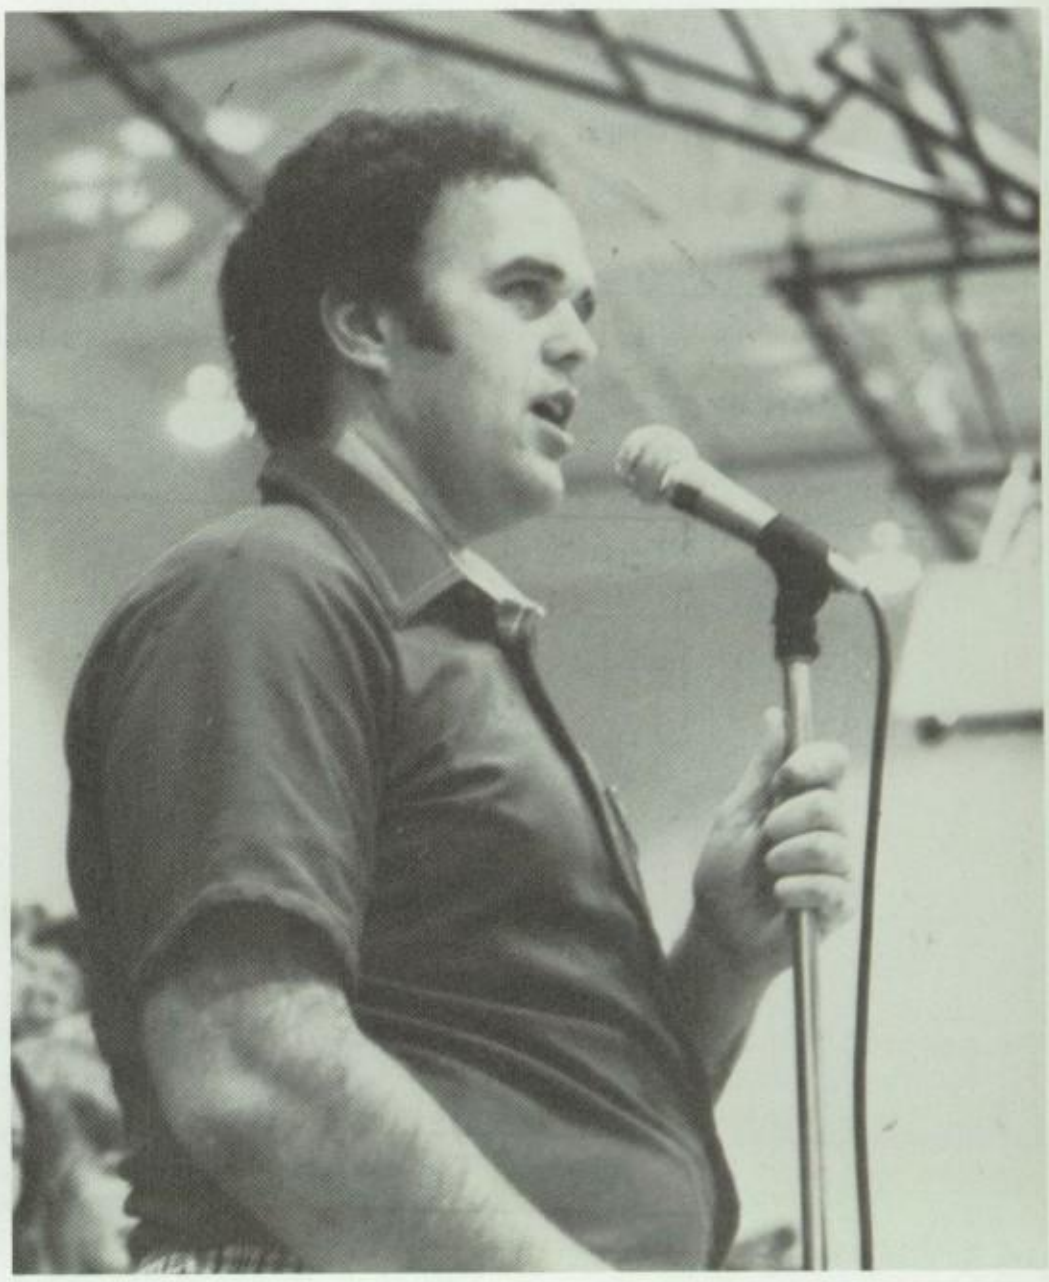
December

Backdrops sway behind
the greasepaint;
All hearts beat impatiently
Will the waiting end?
Finally the moment for
the raising of the
curtain,
A nice way to begin
the excitement that
is December.

Music Gives Best Wishes



Right: Mr. Jim Casey, choir director at North Mesquite, proves to us that not only does he have talent to direct the choir but also to participate with the band himself, as shown at the Christmas concert. **Below:** Mrs. Hamrick and a few band students prepare to hand out selected medals to some of the band members. **Below right:** Belle Ensemble puts forth one of its finest performances during the Christmas concert this year.

Sounds conjure a
December image;
Frost crackling on
frozen ground,
City traffic telling
the rush,
But especially the
music,
Carols ringing in
expression of joy
And the once a year
melodies that lift
the heart.

Above: The Girl's Ensemble add to the enjoyment of Christmas with the humorous "Twelve Days After Christmas." **Right:** Santa Claus makes a surprise visit to the band concert for holiday music. **Below:** Mr. Don Hamrick directs the band in a joyful melody at the special concert before the holidays.

Mid-Term Brings Honors

Above: Ronald Powell has the honor of being chosen as coach of the year for the 1974-1975 season. He has shown us how dedication and long hard hours can be beneficial. This idea was pointed out to us by the basketball team through winning the bi-district play-offs. **Right:** Greg Haddock, a fine outstanding student who is on the basketball team, is "picking up two" for the winning score. **Below:** Brad White, Charlotte Balch, Cindy Herring, Pam Seal, and Phillip Phelps are among many from the State of Texas who were chosen to participate in the All-Region Choir.

January

Dreams subside, lulled to
sleep by still January
air,
It is the noontide of
the school year when
We veil thoughts of the
future with immediate
cares.
The pressure of exams
makes us produce
dusty notes for our
last-minute cram session.

A Month for Practice

Left: Portraying stereotyped characters in the play, "A Company of Wayward Saints" are: **Front row:** Mike Yancey, Gary Carter, Norris Harrington; **Second row:** Karen Pirkle, Paula Mackey, Brian Rush, Carl Storz, Candi Duke; **Back row:** John Marshall. **Below:** The members of the cast finally decide that they can get along with one another. **Below right:** Carl Storz, Tristano, and Candi Duke, Isabella, portray Adam and Eve in one part of the play. February

A transitional time this —
With auditions and practice
for everyone,
Either for some event at school
Or if you are a Senior —
a little planning for life.
Each must be involved, each
should be busy;
It is too soon to watch for
Spring.

Military Has Busy Schedule

March

College entrance tests and
job hunting,
The selection of new drill
teams, cheerleaders and choirs,
All preparation for the
future —
As if we couldn't work for
now.
Even U.I.L. is coming and
rush we must, to be ready.

Students Like Winning

After term themes and
science fair projects,
After the thrill of the
Arlington game,
And the long trip to
Abilene;
March makes it exit —
Just as the spring air
becomes to catch our
notice.

Warm Weather Strikes

He wins second place as he does so. **Below:** Pacesetters Tammy McHenry, Patti Oakley, Kim Young, and Donna Truesdell perform a routine to the song "Money, Money, Money."

April

To be outdoors is to be alive,
Or so we believe in April.
Should we count the days this
soon,
We still have grades to save
And work to finish — or begin.
Then the fanfare and ovations
start,
So the time has come.

Activity Overwhelms Us

Above: Art students show their flair in dressing up for a special inspection by Miss Bradley. **Left:** The Stage Band gives a final concert and offers the talented director, Mr. Paul Davis, as guest vocalist. **Below:** A spring play program features the hilarious "Antic Spring," with the cast pictured here.

May

A flurry of activity greets us in
May,
Banquets, dinners, parties, and
last good times with friends,
And yet the days drag by
deliberately,
As if they know what we are
thinking.
Seniors involved in many happy
events.

Seniors Are Honored Guests

The Senior Prom drew a large crowd at the Hilton Inn on May 3rd to hear Lo Della and enjoy dinner. The evening began with Paula Miller's reading of "Desiderata" and the naming of Junior Award winners. Each prom-goer seemed to have made an extra effort to make it a lovely party.

Seniors look back on twelve years,
And look forward to jobs, summer
holidays, college,
The prom arrives, with the chaos
of the last weeks,
May is fun for everyone —
Even the teachers?

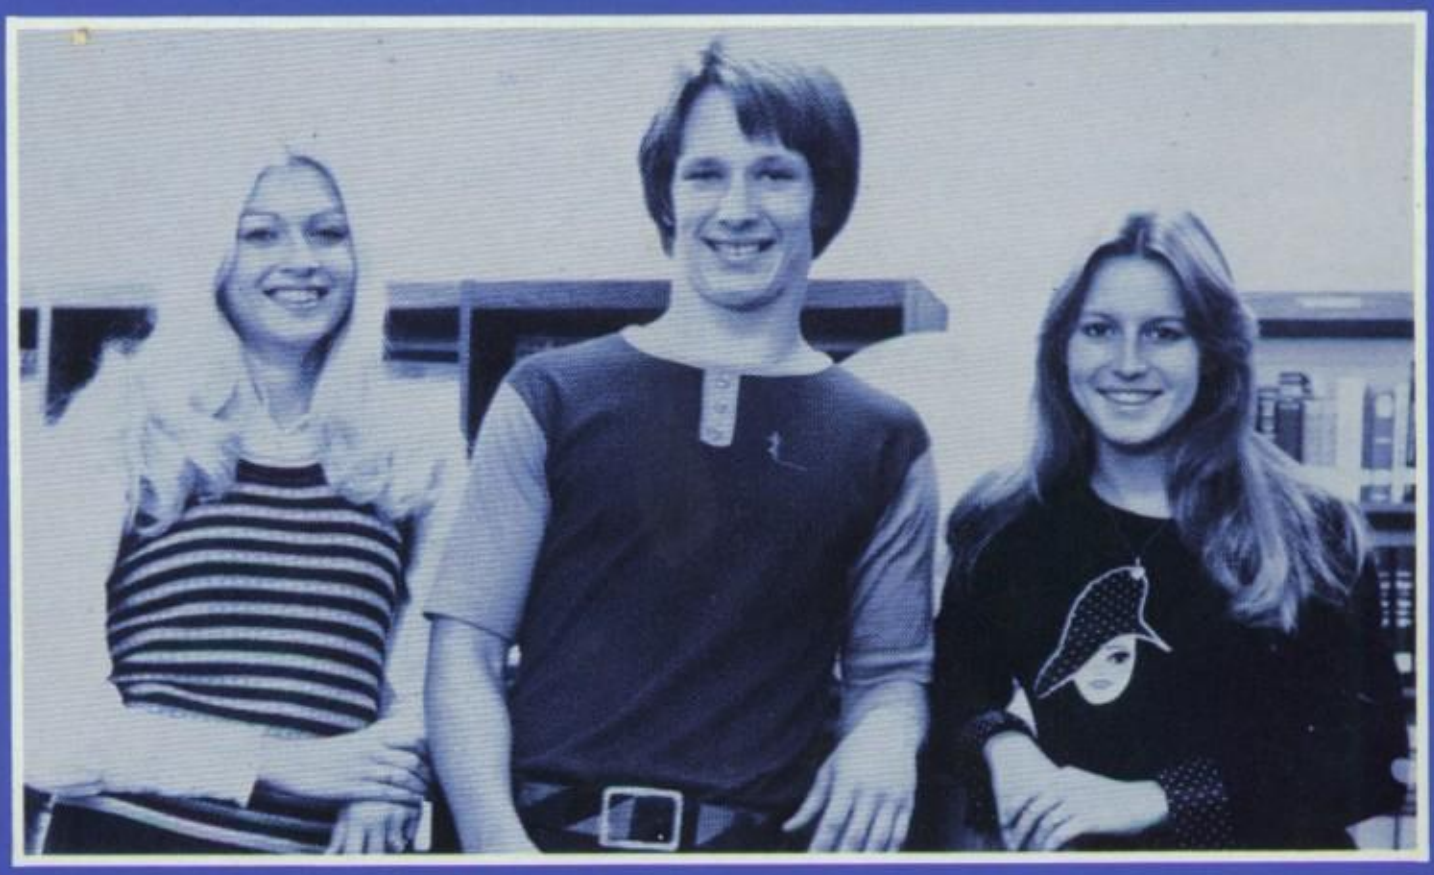
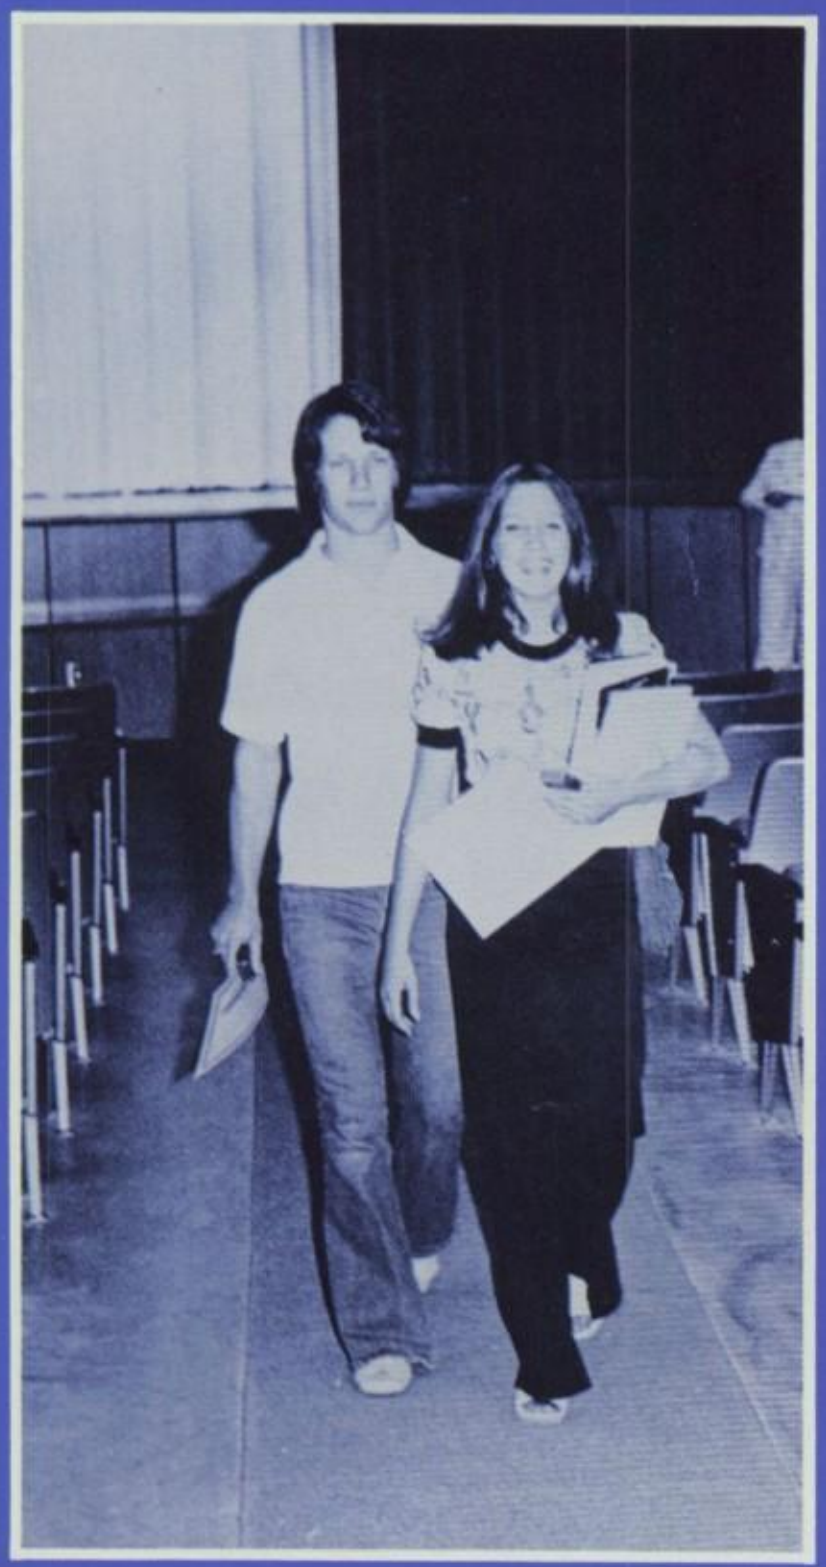
June

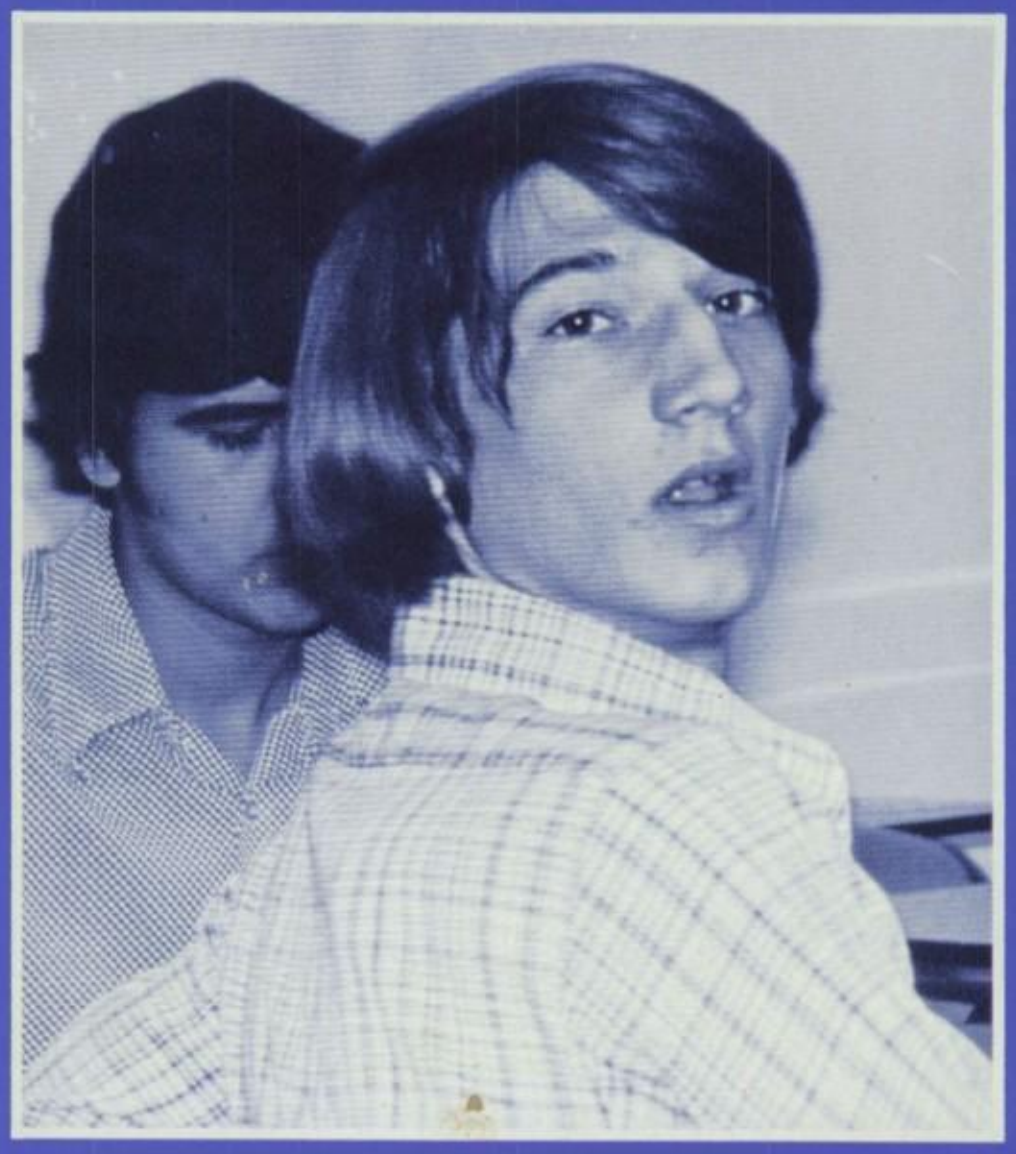
The excitement of the last day,
Practicing graduation and trying
on the cap and gown,
Sharing your family's pride and
then looking at some of those
special faces you always want
to remember.
Feeling the joy that school is out
— if only for a little while.

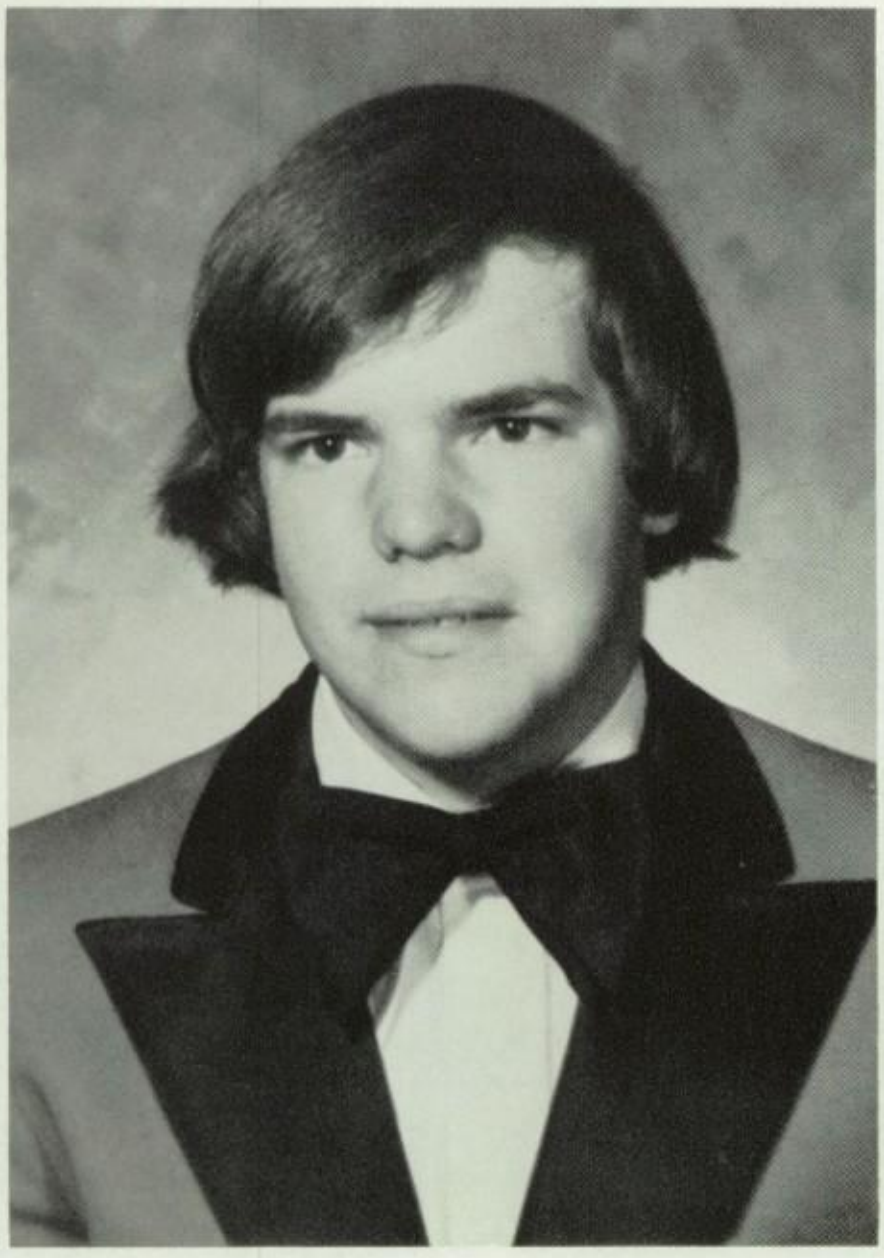
HONORS

People of varied interests and attitudes make up the faculty and student body at North Mesquite. From this large group the brightest are chosen to receive academic honors upon graduation. Every one of these people has shown enthusiasm for learning and therefore honored their school and faculty with their interest.







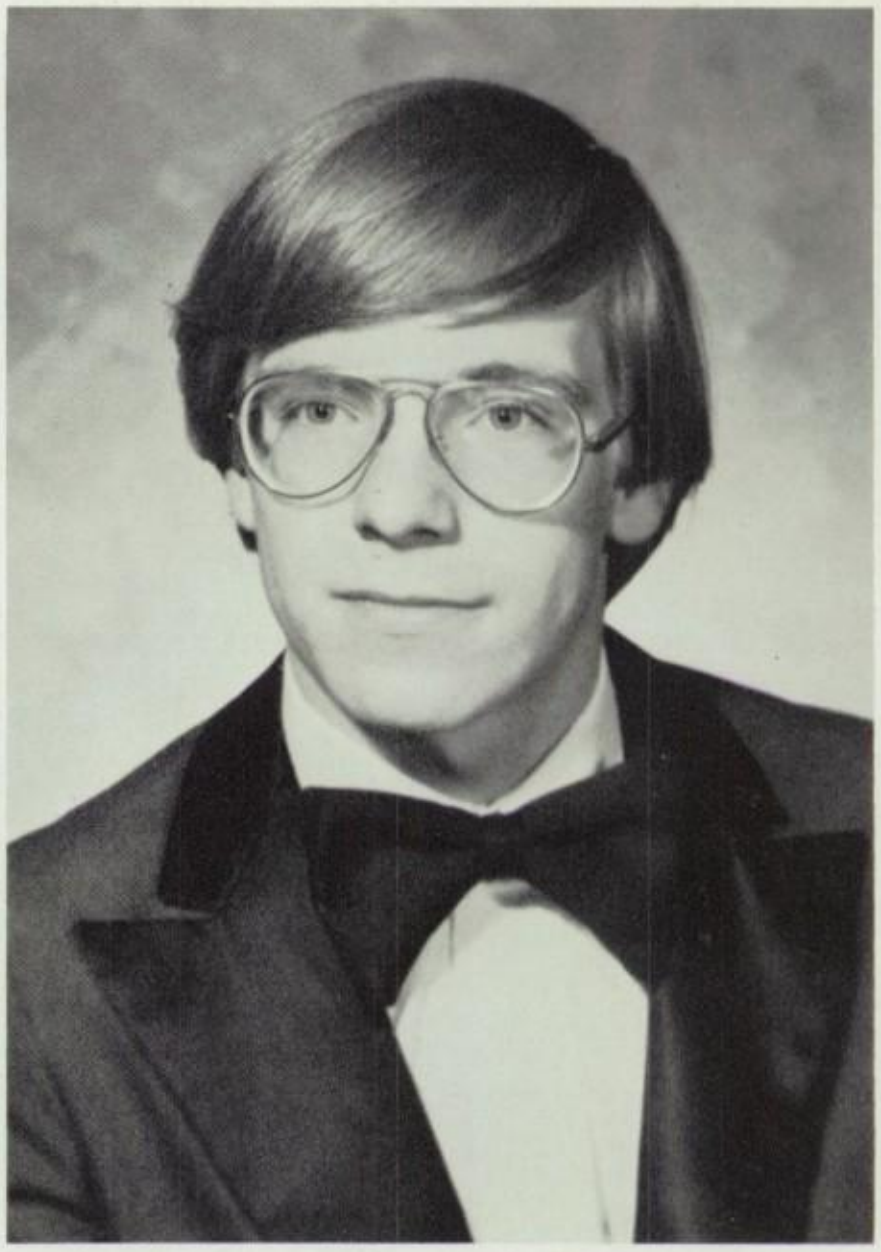


Left: Howard McNeil is shown in his senior picture. **Above:** Larry Boyle and Howard pause in the auditorium foyer. **Below:** Howard responds to the camera while speaking to Mr. John Campbell.

Valedictorian

Howard

The Valedictory Address was capably given this year by the highest ranking senior, Howard McNeil. A casual, personable student, Howard never showed that so many honors were being awarded him. He was named a National Merit Semi-Finalist and to Who's Who Among High School Students. He placed second in the state in number sense, received the Spanish Award and also received the Math Award at North Mesquite. He was active in the Spanish Club, the Number Sense and Slide Rule Club, and the National Honor Society.



Above: Mike Yancey receives his award from Mr. Jim McCoy. **Right:** Mike poses for his graduation pictures. **Below:** Mike is seen before a pep rally with Anna Janecka and Ricky Vaughn, all active in the Stallion Battalion.

Salutatorian

Michael

"Involved" accurately describes the senior graduating second in this year's class. Michael Yancey has such a great variety of interests and talents it would be difficult to name them all. He was in the Science Club, Number Sense and Slide Rule Club, French Club and National Honor Society. He placed in math and computer programming contests. Mike also appeared in school dramatic productions and was active in the spirit club, Stallion Battalion. In the final weeks of school, he was given the Physics Award and named Rotary Club Senior.

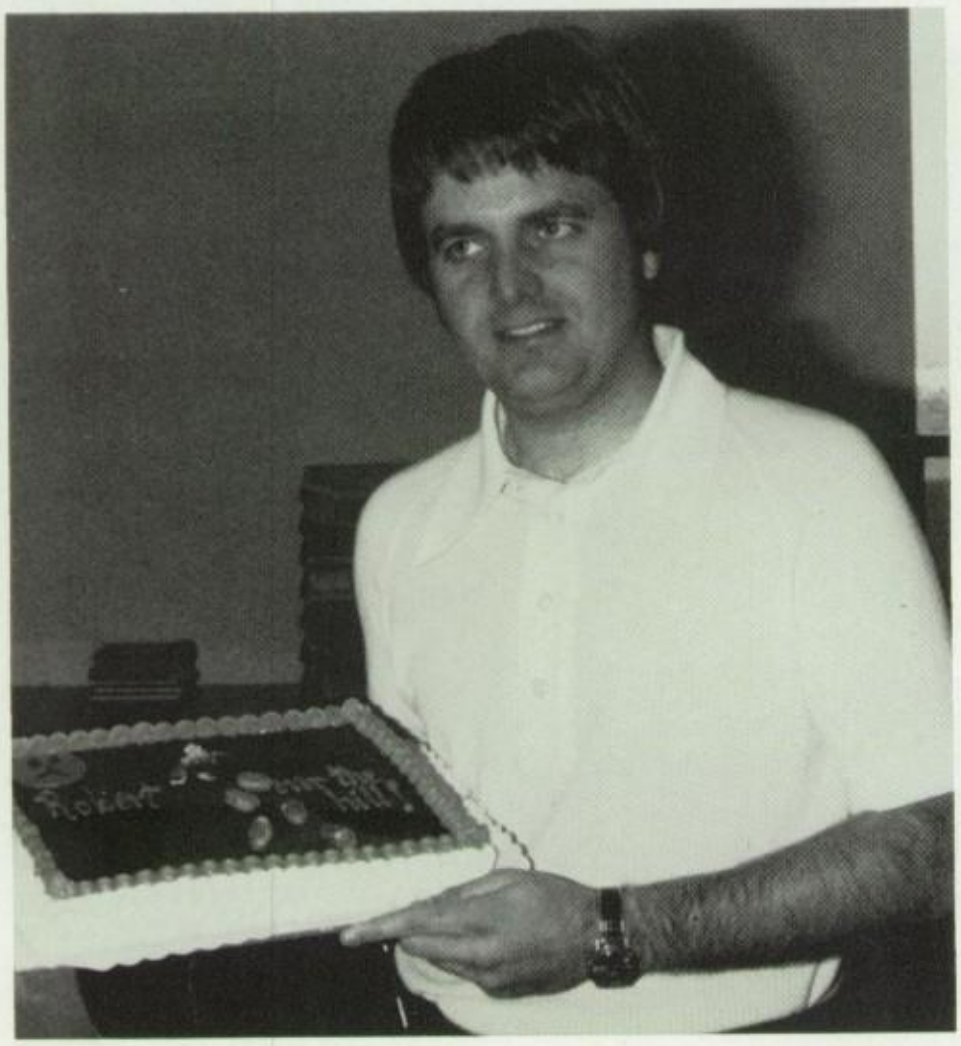
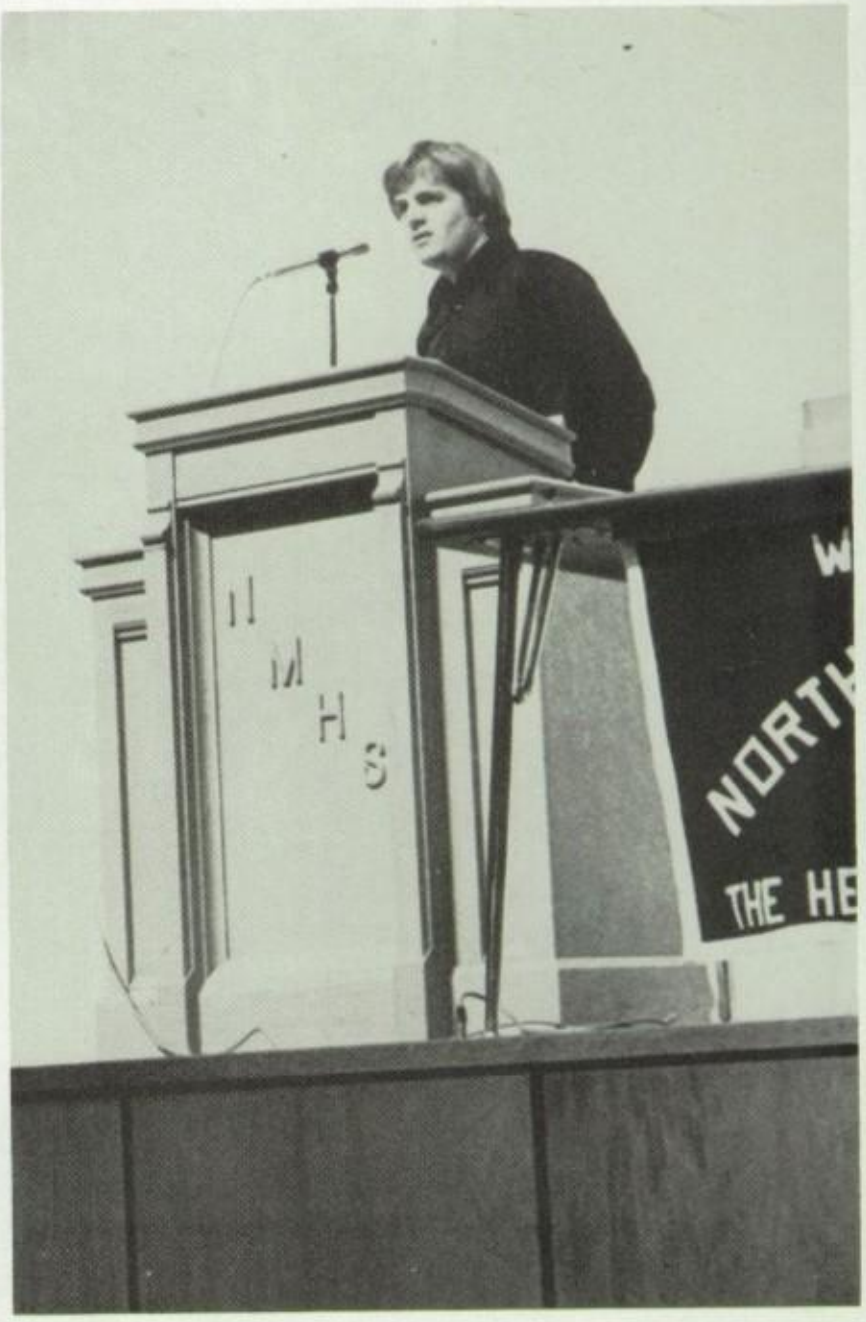
Teacher of Year Elected

Robert Shiflet was elected as Teacher of the Year by the North Mesquite Student Body. The award was a surprise presentation at the annual May Awards Assembly.

Mr. Shiflet is a personable Business Law and Typing teacher, known for his interesting lectures, difficult tests, and involving projects on understanding the law. He lives in Terrell with his wife, Sarah; also a teacher.





Above left: Mr. Shiflet holds his famous "Over the Hill" birthday cake, given to him on his 30th birthday by the Business teachers. **Above right:** Robert Shiflet speaking at the Awards Assembly. **Right:** Mr. Shiflet with friends Buster Cotten and Paula Miller, who presented the award.

Principal's Award

Honored by Principal John Campbell this year are students Gene Aube and Vivian Massey, both seen to the **right. Vivian's** talents are well recognized in the area of home-making. She has been an F.H.A. member and officer, and her own clothing designs, which she then makes, are much a part of our school fashion shows. **Gene** is also a special talent, his achievements being in golf for the last three years. He is an honor student, a member of the National Honor Society and the French Club.

ORGANIZATIONS

The action centers of North Mesquite are its many organizations. They offer variety, fun, fellowship and learning to the students who seek them out. Students find that being a part of a club puts them into the fast-paced life of the high school. Clearly some of the best hours of any week are those spent sharing club and organization activities with friends.

The following week the Stallions dropped the first decision in the history of the school to a Dallas team. The Stallions fell to the Skyline Raiders 10-0 on a difficult night for the mighty Stallions.

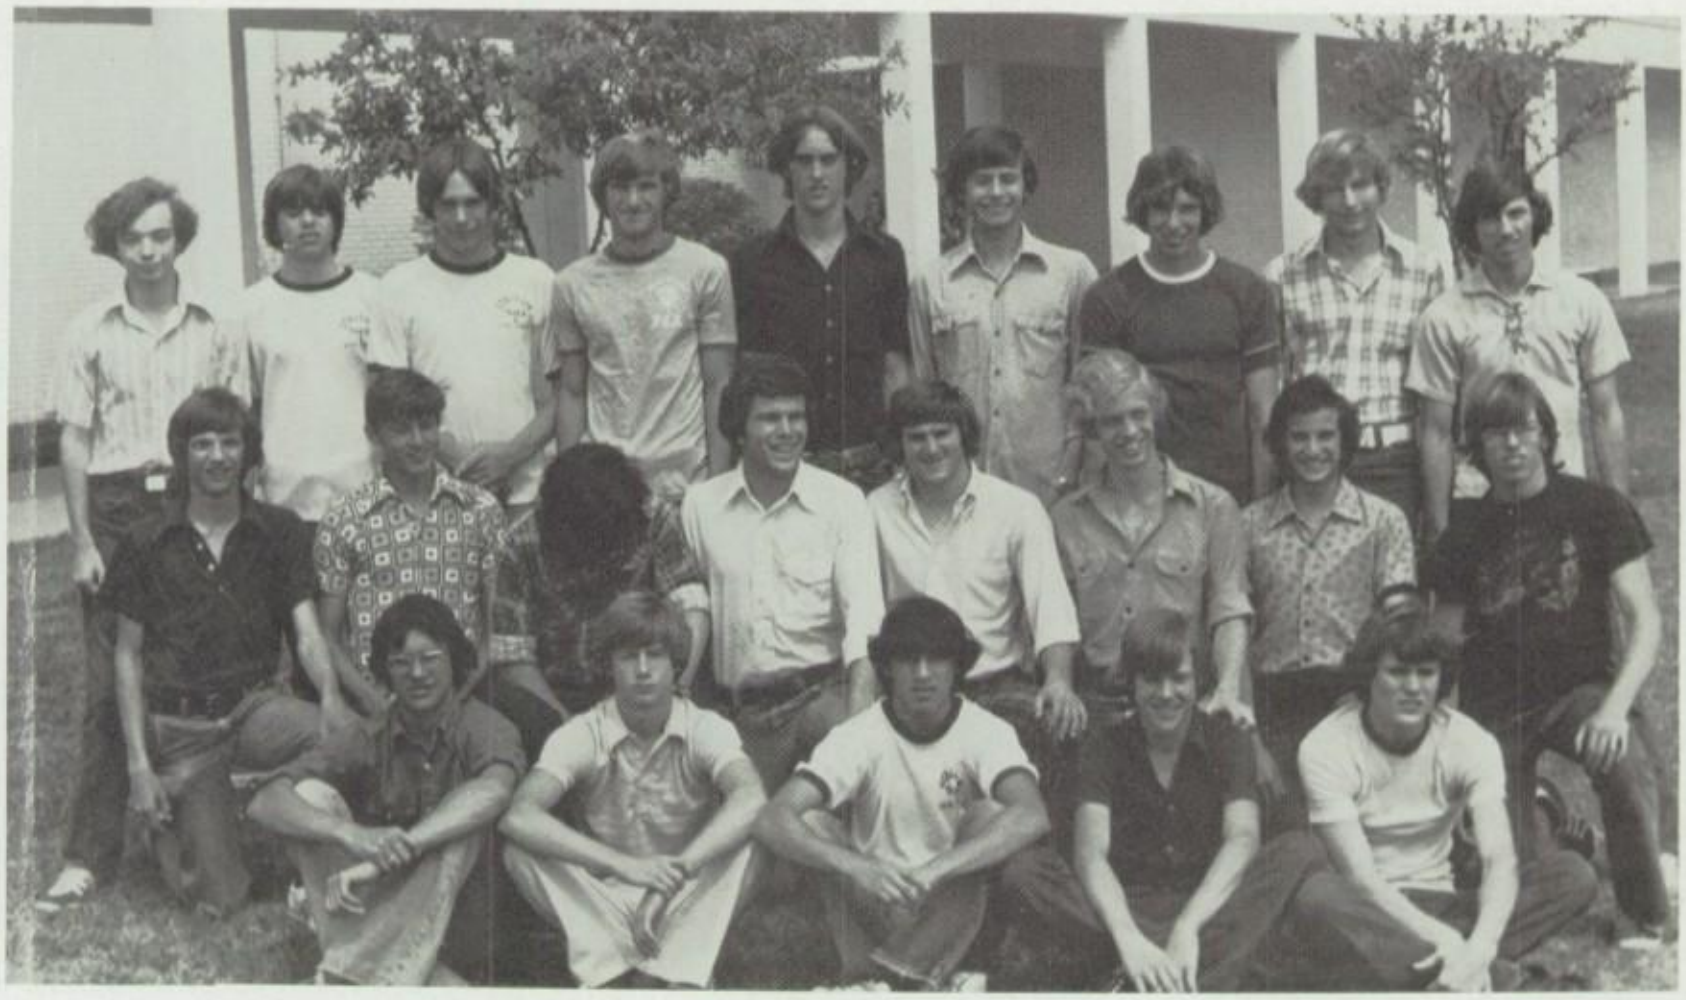
Trainers Find "Always More to Learn"

The trainers for the 1974-75 season played a very important role in North Mesquite athletics. Coach Dennis Hart did a superb job with all the boys which made them excellent trainers enabling them to provide first aid, keep clothes clean, and distribute them to the other boys everyday. However, their rewards come a different way; such as being able to apply first aid properly.

Right: Senior trainer Gary Halbert takes time out to talk with Coach Hart. **Below:** Trainers are, **Standing:** David Moss, Greg Buetel, Russell Floyd, Steven Toelles, and Coach Dennis Hart; **Seated front row:** Gary Halbert, Dale Drumm, and Mark Swann.



Cross Country Goes to State

The 1974-75 Cross Country Track Team under the supervision of new track Coach Brent Thorne took all honors for the second straight year in District 8-AAAA, and moved on to win the Regionals in Arlington and then placed 7th in the U.I.L. state meet in Austin. The cross country team will work towards its first state title this coming year.

Distance Men Earn Honors

The boys' track team this year had individual successes that should not go unmentioned. Greg Lautenslager placed second in the state in the mile at Austin with a time of 4:15. Greg Lynd set a school record in the pole vault with a 12 foot 6 inch launch. Ken Roberts set the record for the 120 yard high hurdles with a 15:1 time. Jay Glover broke the school record in the 100 yard dash with a 9.9. Under the new Coach Brent Thorne the boys team added a number of honors.

If there's a better way, we'll find it.

Thomas A. Edison, the research genius of his time, found a "better way" of life for the world when he first put electricity to use. Later, research by the electric industry and companies like Texas Power & Light Company created hundreds of new conveniences for home, industry and farm. And the future seems limitless. TP&L, in cooperation with other electric utilities, universities and the electric industry, has carried on a number of research programs spanning a wide variety of fields—from exploring the possibilities of converting heat and chemical energy directly into electricity, to developing a vastly improved design for electric water heaters and taking a part in nuclear study, research and development programs. If there's a better way, we'll find it!

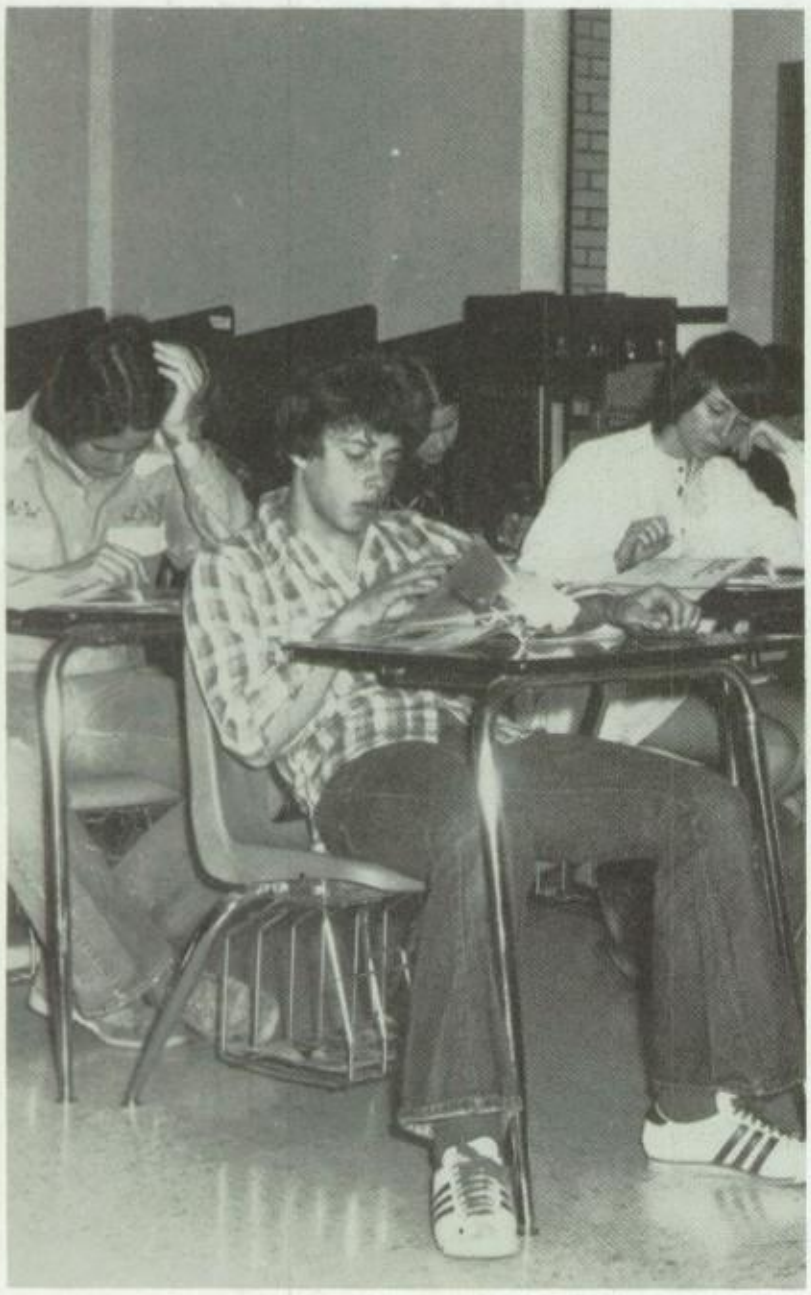
In memory of our friends:
James Derrick
Tommy Morris
David Raglin
Deanna Snyder
Ronnie Staton

Perspective comes from:



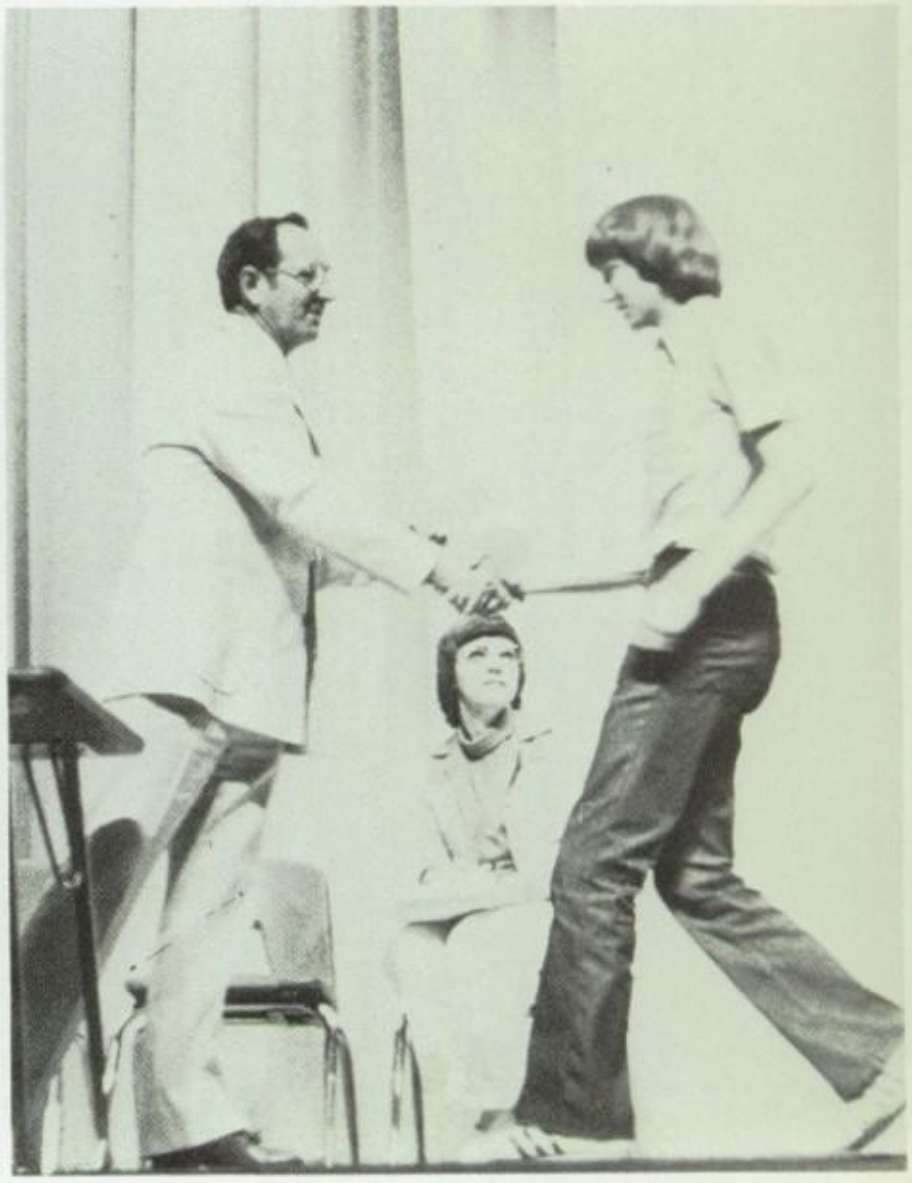
self-searching
in life,

sharing with others,

working hard in
class and at
extra activities,

having many good times,

and finally succeeding.



After a year of being editor of the **Trailblazer,** many new faces have entered my life. I'll never be able to thank all of those people who have helped to make this book possible, because this would require thanking every person at North Mesquite.

This book is for all of you and because of you. My hope is that each who reads the 1975 annual will be able to see the perspective that the staff has tried to project throughout the book, and that it will help you to remember this year in some special way.

Kim, Remember the good times we had at the good ole Underwood (Tundra) St. 76 Remember that there is always that crazy, weird, part of you that you can't help. Remember that there are times for crazy and times for serious. Remember to have fun and make the most of it. Remember that you are a good friend and I'll always be there for you. Remember that I'll always be there for you. Remember that I'll always be there for you. Remember that
